Flexible Spending Accounts

UPMC Health Plan: 1-888-499-6885 or www.upmchealthplan.com/flexadvantage

A flexible spending account program provides an opportunity to reduce your federal and Social Security taxable income through funding an account(s) on a pre-tax basis. You may obtain reimbursement through the submission of qualified out-of-pocket expenses relating to that particular account.

Flexible spending accounts are intended to be used for predictable expenses only. Please review the plan details of each flexible spending account prior to enrollment to determine if a flexible spending account is right for you.

You may learn more about the flexible spending accounts in greater detail, including eligible expenses, claim submission deadlines, and claim submission procedures, by visiting the University of Pittsburgh's Benefits Department Web site at www.hr.pitt.edu/benefits/health-and-wellness/flexible-spending, or by contacting the University's flexible spending account administrator, UPMC Health Plan, at 1-888-499-6885

Flexible spending account participants may enjoy the following benefits of UPMC Health Plan's FlexAdvantage flexible spending administration:

- The FlexAdvantage Visa Card for Health Care FSA members provides the benefit of swiping your card to pay for health care FSA-eligible items, such as doctors office copays, deductibles, coinsurance, prescription drugs, and other qualified medical, dental, and vision expenses.
- Subscribers can submit claims for reimbursement to UPMC Health Plan in two ways. First, the subscriber can complete a reimbursement request form and submit it to UPMC Benefit Management services. Claims can also be submitted online through the UPMC FlexAdvantage portal. To access the portal, use the my.pitt.edu single sign on for UPMC MyHealth Online.
- Participants are able to obtain their flexible spending account balances for health care and dependent care over the phone by calling 1-888-499-6885 and following a series of prompts.

Health Care Flexible Spending Account Carryover

The IRS has modified the “use or lose” rule for health care flexible spending accounts (FSA) to allow a $500 annual carryover of unused contributions. The carryover does not count against the $2,550 contribution maximum per year and the carryover may be used to pay for expenses in the year in which it is carried over. This modification only applies to the health care FSA and terminates the 2 ½ month extension previously applied to the account.

Incomplete Participation in Plan Year

Unused funds will be forfeited if not claimed within 180 days of the following status changes for the dependent care, parking, and mass transportation accounts:

- End of the plan year
- Termination
- Change in status which makes you ineligible for the plan

In case of termination or ineligibility during the plan year, claims can be submitted for expenses incurred prior to the termination/ineligibility date. Expenses and services incurred after the termination/ineligibility date are not eligible for reimbursement.

“Use It or Lose It” Rule for Plan Year 2016: July 1, 2015–June 30, 2016

The “use it or lose it” rule applies to dependent day care, parking, and mass transportation. Other than the exception listed below for dependent care, all claims must be incurred prior to July 1, 2016. Participants must submit those expenses for reimbursement by December 31, 2016. If your coverage ends prior to June 30, 2016, claims must be incurred prior to your last day of coverage. If your coverage ends prior to the end of the plan year, you have 180 days to submit expenses after the last day of coverage. Careful planning is required. Any remaining funds in your account at the end of the plan year will be forfeited and used to offset the general plan expenses.

2 ½ Month Dependent Care Flexible Spending Account Extension

The U.S. Treasury Department granted a 2 ½ month extension for dependent day care flexible spending accounts. Participants have until September 15 to incur an expense and use any contributions remaining in their dependent care flexible spending accounts. During this grace period, transactions will automatically pull from the previous plan year to exhaust funds before it pulls from the current plan year funds. Expenses incurred during this period still must be submitted to UPMC Health Plan, the University's flexible spending account administrator, for reimbursement no later than December 31, 2016.
