Specialty providers are listed on this website for informational purposes only. As a member under United Concordia's DHMO plans, you are required to see your Assigned Primary Dental Office for all referrals to specialty care providers. Self referrals are prohibited under all DHMO plans: treatment rendered as the result of self referrals will be the sole financial responsibility of the patient and will be denied for any reimbursement by United Concordia.

**Please note if electing the UCCI PLUS Managed Care DHMO plan, you are required to select a network primary dental office (PDO). Please use the last 6 digits of the Provider to designate the PDO when enrolling. Claims will be denied for services provided by anyone other than the designated PDO. If a PDO is not elected at enrollment, one will be assigned. Each participant can have their own PDO. To update PDO after initial enrollment you can call United Concordia at 1-877-215-3616*
