Important Information about this Plan Document

The services above are not all-inclusive — they include only the most common dental procedures in a class or service grouping. UPMC Dental *Advantage* encourages, but does not require, Members to seek Predetermination for major services, such as crowns and bridges, to obtain the most accurate payment estimate. Coverage for Members is administered in accordance with policies and procedures in effect on the date of service. Additional plan information can also be found in the Pediatric Dental Certificate of Insurance.

Copayments, Coinsurance, and Deductibles for dental benefits apply toward satisfaction of the combined Out-of-Pocket Maximum specified in your Medical Schedule of Benefits. Services are covered at 100% after the Out-of-Pocket Maximum is satisfied.
