Flexible Spending Accounts
www.hr.pitt.edu/fsa

A flexible spending account (FSA) program provides an opportunity to reduce your federal and Social Security taxable income through funding an account on a pre-tax basis. You may obtain reimbursement through the submission of qualified out-of-pocket expenses relating to that particular account.

**Flexible spending accounts are intended to be used for predictable expenses only. Please review the plan details of each flexible spending account prior to enrollment to determine if a flexible spending account is right for you.**

Learn more about the flexible spending accounts in greater detail, including eligible expenses, claim submission deadlines, and claim submission procedures, by using the phone number or website listed above.

Note: Individuals enrolled in Panther Basic that desire to make a pre-tax contribution for health-related expenses must elect to participate in the Health Savings Account (HSA) associated with the Panther Basic plan.

Flexible spending account participants may enjoy the following benefits of the UPMC BMS Consumer Advantage flexible spending administration:

» The UPMC Consumer Advantage Visa card for health care, mass transportation, and parking FSA members provides the benefit of swiping your card to pay for expenses such as qualified medical, dental, vision, parking, and mass transportation expenses.

» Subscribers can submit claims for reimbursement to UPMC BMS in three ways. Subscribers have the option to complete a reimbursement request form and submit it to UPMC Benefit Management Services. Claims can be submitted online through the UPMC Consumer Advantage portal. To access the portal, visit [https://askcathy.pitt.edu/task/all/hr-myhealth-upmc](https://askcathy.pitt.edu/task/all/hr-myhealth-upmc) and select the “Start” button on the right side, then log in via Pitt Passport. Claims can also be submitted by using the Consumer Advantage mobile app. Download the UPMC Consumer Advantage mobile app from the iTunes App Store or Google Play and follow the instructions to access your account.

» Participants can obtain their flexible spending account balances over the phone by calling 1-888-499-6885 and following the prompts, as well as through their MyHealth Online account.

** If you terminate the plan earlier than June 30, the filing deadline will be six months from your termination date.
“Use It or Lose It” Rule for Plan Year
July 1, 2020 - June 30, 2021

The “Use It or Lose It” rule applies to dependent day care, parking, and mass transportation. Other than the exception listed below for dependent care, all claims must be incurred prior to July 1, 2021. Participants must submit those expenses for reimbursement by December 31, 2021. If your coverage ends prior to June 30, 2021, claims must be incurred prior to your last day of coverage. If your coverage ends prior to the end of the plan year, you have six months to submit expenses after the last day of coverage. Any remaining funds in your account at the end of the plan year will be forfeited and used to offset the general plan expenses.

2 ½ Month Dependent Care Flexible Spending Account Extension

The U.S. Treasury Department granted a 2½ month extension for dependent day care flexible spending accounts. Participants have until September 15 to incur an expense and use any contributions remaining in their dependent care flexible spending accounts. During this grace period, transactions will automatically pull from the previous plan year to exhaust funds before it pulls from the current plan year funds. Expenses incurred during this period must still be submitted to UPMC BMS, the University’s flexible spending account administrator, for reimbursement no later than December 31, 2021.

Health Care Flexible Spending Account Rollover

The IRS allows a $500 annual rollover of unused health care flexible spending account contributions. The rollover does not count against the $2,750 contribution maximum per year, and the rollover may be used to pay for expenses in the year in which it is carried over.

Incomplete Participation in Plan Year

Unused funds will be forfeited if not claimed within six months of the following status changes for the dependent care, parking, and mass transportation accounts:

» End of the plan year
» Termination
» Change in status which makes you ineligible for the plan

Unused funds will be forfeited if not claimed within six months for terminations and general ineligibility for the health care account.

In case of termination or ineligibility during the plan year, claims can be submitted for expenses incurred prior to the termination/ineligibility date. Expenses and services incurred after the termination/ineligibility date are not eligible for reimbursement.

Purchasing OTC Medications

With the passage of the CARES Act in 2020, individuals are now able to purchase over-the-counter (OTC) medications and menstrual products with their health care flexible spending account. Participants must submit their purchase receipts for reimbursement as the UPMC Consumer Advantage Visa card cannot be used at this time to complete purchases.

### Basic Group Life and AD&D Coverage

The University provides group term life insurance coverage to faculty and staff in the amount of one times your annual salary, rounded up to the next thousand capped at the plan maximum of $50,000. AD&D coverage is also provided in the amount of one times your annual salary, rounded up to the next thousand capped at the plan maximum of $50,000. There is no cost to you.

### Optional Coverage and Monthly Rates

#### Group Life

Optional group term coverage is available to you at your choice of one to six times your annual salary, rounded up to the next thousand capped at the plan maximum of $2 million. This is a fully employee-paid, after-tax benefit that does not reduce federal and state taxes. The monthly premium will be based on your age as of July 1 annually. New hires may elect the lesser of two times their annual salary or $500,000 in optional life insurance without Evidence of Insurability (EOI).

The cost is a calculation of the age-graded rate times each $1,000 of coverage.

To calculate your life insurance cost:

\[
\text{annual salary} \times \text{additional coverage value (1-6)} = \text{total coverage}
\]

Employees age 42 with $45,000 annual salary electing to have coverage of three (3) times their salary will have a total coverage of $135,000.

\[
\frac{\text{total coverage}}{1,000} \times \text{age rate} = \text{cost per month}
\]

\[
\frac{135,000}{1,000} \times 0.072 = 9.72
\]

Employee cost per month = $9.72

#### AD&D

Coverage is available at your choice of one to six times your annual salary, rounded up to the next thousand capped at the maximum of $2 million.

Cost is not age-graded and is a constant rate times each $1,000 of coverage ($0.015/$1,000).

#### Dependent Life

Optional dependent life insurance is available to the spouse/domestic partner and children (up to age 26) of faculty and staff members.* Six options are available to choose from for a spouse or domestic partner and two options are available for a dependent child or children. The faculty and staff member would be the automatic beneficiary of any elected benefit. Coverage is subject to Evidence of Insurability (EOI) for spouse/domestic partner. EOI is not required for dependent child coverage. Cost is not age-graded and is constant regardless of the number of dependent children covered.

* Proof of good health, also called Evidence of Insurability (EOI), is required for some types of coverage. EOI is an application process in which you provide information on the condition of your health or your dependent’s health in order to be approved for coverage. The Hartford (Aetna) provides 90 days to submit the EOI application for approval or denial of coverage.
In 2020, Aetna's name will change to The Hartford. During this transition, your policy will remain in effect, and there will be no changes to your coverage or premiums.

Like Aetna, The Hartford is widely recognized for its service excellence, sustainability practices, trust, and integrity.
Retirement Savings Plan
www.hr.pitt.edu/retirement

Eligible faculty and staff are offered a Defined Contribution Plan. Details can be found online at www.hr.pitt.edu/retirement.

The plan operates on a calendar year basis and is not subject to an annual open enrollment. Elections or changes may be made online throughout the year. This can be done monthly and as often as you prefer. If you select the effective date to be the first available paycheck, please refer to the University payroll schedule for timing details by visiting www.hr.pitt.edu/payroll-schedule. If you select a future effective date, you are selecting a future date to make a salary deferral agreement and the payroll schedule still applies.

Instructions on how to enroll or make changes can be found at www.hr.pitt.edu/make-changes.

One important term referred to frequently in the plan is vesting. Under the Defined Contribution Plan, once you have fulfilled the three-year vesting schedule, you have a non-forfeitable right to the University match when you retire or resign from the University. Under the Defined Contribution Plan, you always have the right to your contributions and earnings upon retirement or resignation.

Defined Contribution Plan

Within the Defined Contribution Plan, employees are permitted to contribute to a 403(b) plan. Contributions to this plan may be made on a pre-tax, Roth after-tax, or after-tax basis. Eligible employees contributing to the 403(b) plan will receive University matching funds into a 401(a) account. The University contributions will be made on a pre-tax basis. Eligible employees also have the opportunity to contribute to a 457(b) plan on a pre-tax or Roth after-tax basis. Contributions to the 457(b) plan are not considered for matching contributions.

Eligible faculty, staff, and research associates become vested in the 401(a) plan after having completed 1,000 hours of participation in the plan in three separate calendar years. Once vested, the participant has ownership of the contributions given by the University. You are always 100% vested in your contributions into the 403(b) and 457(b) plans.

Between the ages of 52 and 65, once vested, you have the option of joining the Accelerated Option. You must contribute 8% to participate in this option, and the University match is 14.5%. Participation lasts for up to 120 months or to age 65, whichever occurs first. The University match ceases once participation in the Accelerated Option ends. As needed upon retirement, income streams may be established among the options available. For more information, please call TIAA at 1-800-682-9139, Monday–Friday, 8:00 a.m. – 10:00 p.m. or Saturday, 9:00 a.m. – 6:00 p.m.

New hires are automatically enrolled at a 3% contribution rate in the 403(b) plan, but have 60 days to opt out of the plan.

Contact the Benefits Department at www.hr.pitt.edu/contact-ohr for the Once in a Career Change form. You may enroll when the Benefits Department notifies you of your eligibility to participate.

Re-enrollment in the Noncontributory Defined Benefit Plan is not permitted. Additional information on the Noncontributory Defined Benefit Plan can be found at www.hr.pitt.edu/noncontributory.

Employee-Only Contributions

Eligible faculty, staff, and research associates may elect to make supplemental tax-deferred or pre- or post-Roth contributions without a University matching contribution, but within the limits permitted by tax regulations.

Universal Availability

All employees who are not eligible for the University matching contribution may make elective tax-deferred contributions within the limits permitted by tax regulations. Learn more about universal availability online at www.hr.pitt.edu/universal-availability.

Policies and Notices
www.hr.pitt.edu/benefits/notices

Children's Health Insurance Program Reauthorization Act (CHIPRA)

CHIPRA requires employers offering group health plans to notify employees of their potential rights to receive premium assistance under a state's Medicaid or CHIP program.

CHIPRA has two different rules that could benefit certain employees of the University. First, CHIPRA offers a premium assistance program for participants who are eligible for a Medicaid or a state CHIP program. If you are such an individual, and you are eligible for health coverage from the University but are unable to afford the premiums, the state CHIP program may help you pay for coverage under the University health plans. If you or your dependents are already enrolled in Medicaid or CHIP, you can contact your state Medicaid or CHIP office to find out if premium assistance is available. Second, CHIPRA includes two Qualified Status Change events. The Qualified Status Change events occur either when an eligible participant's enrollment ends in Medicaid or a state's CHIP program, or when an employee becomes eligible for the premium subsidy and can then enroll in the University's coverage. If either of those two events occur, the employee must request coverage from the University within 60 days of the event.

Summaries of Benefits and Coverage

Summaries of Benefits and Coverage (SBC) provide applicants, enrollees, and policyholders with government mandated comparable information about health plan benefits and coverage options to help you evaluate choices when comparing the University of Pittsburgh's plans to other plans. For the most cost-accurate information to compare between the University of Pittsburgh's group of plans, and for customized information about your medical options, please visit www.hr.pitt.edu/benefits.

In addition to accessing and/or printing copies of the electronic SBCs or Certificates of Coverage (COC), you also have the right to request and receive, free of charge, paper copies of these documents.

Request a printed health and welfare SBC and/or COC by contacting the Benefits Department by submitting an online request at www.hr.pitt.edu/contact-ohr or by calling 412-624-8160.

Women's Health and Cancer Rights Act

Under the University of Pittsburgh’s health plans, coverage will be provided to a member who is receiving benefits for a medically necessary mastectomy and who elects breast reconstruction after the mastectomy for:

1. Reconstruction of the breast on which a mastectomy has been performed
2. Surgery and reconstruction of the other breast to produce a symmetrical appearance
3. Prostheses
4. Treatment of physical complications of all stages of mastectomy, including lymphedema

This coverage will be provided in consultation with the attending physician and the patient and will be subject to the same coinsurance and any applicable annual deductibles that apply for the mastectomy.
