¹In-Network reimbursement is based on percentage of Provider reimbursement. Participating Vision Providers are not permitted to bill the Member the difference for any services unless otherwise stated. Participating Vision Providers may charge a Member fee for optional lenses and treatments listed below. Participating Vision Providers include in-network providers who choose to utilize an out-of-network laboratory.

²Out-of-Network coverage is based on Usual, Customary, and Reasonable as determined by UPMC Vision Care. Nonparticipating Vision Providers may bill the Member the difference between the Provider’s billed charges and the plan allowance.

³Frequency is based on the Member’s last date of service.

⁴Lens coverage includes reimbursements for polycarbonate lenses when received in-network. Polycarbonate is included up to age 19.

⁵Collection Frames are defined as frames which an in-network provider may make available at no out of pocket expense. In-network providers have agreed to maintain a collection of at least 30 frames within their collection.

⁶Participating Vision Provider may also make available non-collection frames. Non-collection frames are frames that cost any amount over the retail allowance for collection frames. If non-collection frames are chosen, Members are responsible for the difference in cost between the retail allowance amount for collection frames and the retail price of the frame, minus a 20% discount. Non-collection frames purchased through a Nonparticipating Vision Provider will be reimbursed up to $30.
Members are eligible for additional lens options at a fixed fee, in-network only*. If Members choose extra options, they are responsible for the additional cost of the options paid directly to the Participating Vision Provider. For additional lens options refer to the chart below.

20% discount may apply to amounts exceeding the plan allowance and may vary by provider*. For additional lens options, refer to the chart below. Not all Participating Vision Providers participate in the discount plan.*

Additional Discounted Services performed by Participating Vision Providers

NVA EYESSENTIAL® Plan*

The NVA EYESSENTIAL® Plan is an additional benefit available to all UPMC Vision Care members once the benefits as described in this Schedule of Benefits have been exhausted for the term. Benefit frequencies are unlimited, excluding examination. For more information, see the Plan document in your enrollment materials or on MyHealth OnLine. To see if your vision provider is participating visit www.upmchealthplan.com and select Find Care.

Mail-Order Contact Lens Replacement Program

For more information on this program, call Contact Fill at 1-866-234-1393, or visit www.contactfill.com.

Lasik Surgery

UPMC Vision Care participants are also eligible for discounts on LASIK surgery, when received at one of the following preferred providers: UPMC Eye Center, TLC Vision, Qualsight, or LCA.

*Not all vision providers participate in the discount plan. To find a vision provider that participates in the discount plan, please contact the Member Services number at the back of your member identification card or visit the UPMC Health Plan provider directory at www.upmchealthplan.com.

See the UPMC Vision Care Pediatric Certificate of Insurance for the details of the terms of coverage for your health benefit plan. In the event that the terms of your UPMC Vision Care Pediatric Certificate of Insurance conflict with this Pediatric Vision Schedule of Benefits, the terms of this Pediatric Vision Schedule of Benefits control.
