In order to protect your confidential information, the University will not mail a printed summary of your benefits elections. If you make changes to your elections, you should print your online confirmation statement, which is available at the end of the benefits self-service process in Pitt Worx. Please note: you will receive no other confirmation of your changes.

Open Enrollment is a great opportunity to review or add information for your dependents, and to provide dependent Social Security Numbers (SSNs) if they are not currently on file with the University, to maintain compliance with the Affordable Care Act (ACA). You can review and update this information in Pitt Worx.

If you have moved, or will be moving soon, you should update your home address with your department administrator and in Pitt Worx (after logging in to Pitt Worx, select Address & Tax Form Changes on the Me page).

Represented employees should refer to their collective bargaining agreements for details about their benefits.

What’s New This Year?

Medical
hr.pitt.edu/medical

There are minor changes to some copays and formularies; please review the Summary Guide to Benefits to further understand these changes. The plans also include a 3% rate increase.

UPMC continues the partnership with Amplifon to provide medical plan participants access to a national network of over 5,500 hearing health care providers with over 3,800 hearing aid models. The benefit includes an $1,800 per ear insurance payment towards the cost of hearing aids every three years.

Flexible Spending Accounts
hr.pitt.edu/fsa

The annual health care spending account limit remains the same at $2,750. The IRS allows a rollover (carryover) for the health care FSA. Any amount that rolls over into the new plan year does not affect the maximum election you may select; consider the rollover amount before making your health care FSA election.

The dependent day care account maximum remains at $5,000 annually.

The parking and mass transportation accounts maximum annual contribution amounts remain at $3,240 per plan.

Note: Due to the passing of recent legislation, please refer to the OHR website for details about changes to FSAs.

Dental
hr.pitt.edu/dental

The dental plan rates will experience a small increase with no changes to plan design. The vision plan remains unchanged.

Life Insurance
hr.pitt.edu/life

Life insurance plans through The Hartford remain the same, but there is a decrease in the optional group term life insurance rates for the upcoming plan year.

While these premium rates are decreasing, your premium may increase if you reach a new age bracket. The premium is based on your age as of July 1 annually. Visit hr.pitt.edu/life to learn more and to review the age-graded optional group life insurance rates.

Wellness for Life Incentives
hr.pitt.edu/incentives
