Welcome and General Information for Members

This document is your Pediatric Vision Certificate of Insurance (“Certificate”). If this Certificate has been purchased on behalf of a child, references to “you” or “your” should be considered to reference the child. Your Certificate establishes the terms of coverage only for this vision plan for those Members up to the age of 19. Your Certificate sets forth what services are covered and what services are not covered. It explains the procedures that you must follow to ensure that the vision services you receive will be covered under your vision plan. It also describes how you submit a claim, file a Complaint or Grievance, and other information that you may need to know to access your vision benefits. The Certificate acts as a contract between you and the Plan, setting forth your obligations as a Member and our obligations as your vision benefits carrier.

It is important to use this Certificate along with your Pediatric Vision Schedule of Benefits. Your Pediatric Vision Schedule of Benefits is the document that outlines your coverage amount and Benefit Limits. Anything contained herein to the contrary notwithstanding, the Plan shall have the right, for the purpose of complying with the provisions of any law or any lawful order of a regulatory authority, to amend the Certificate or any attachment hereto or to increase, reduce, or eliminate any of the benefits provided for in the Certificate for any one or more eligible Members enrolled under the Certificate, and each party hereby agrees to any amendment of the Certificate which is necessary in order to accomplish such purpose.

The vision coverage described in this document is deemed an essential health benefit (EHB) for Members up to the age of 19 and applies only to those Members who meet this criterion.

This Certificate does not divide or give back any excess premiums to its Members.

This Preferred Provider Organization (PPO) plan may not cover all of your vision expenses. Read this Certificate carefully to determine which vision services are covered.

You have the right to return this Certificate within 10 days of its delivery and to have the premium refunded if, after examination of the Certificate, you are not satisfied for any reason.

¹UPMC Health Plan is the marketing name used to refer to the following companies, which are licensed to issue individual and group health insurance products or which provide third party administration services for group health plans: UPMC Health Network Inc., UPMC Health Options Inc., UPMC Health Coverage Inc.,

UPMC Health Plan Inc., UPMC Health Benefits Inc., UPMC for You Inc. Community Care Behavioral Health Organization, and/or UPMC Benefit Management Services Inc.

Guaranteed renewable/Premium subject to change

UPMC Health Plan may adjust premiums after getting approval from the Pennsylvania Insurance Department. You will be notified in advance of any change in your premium. This Certificate will remain in effect each month as long as the applicable premiums are paid. UPMC Health Plan will not terminate your coverage because of the deterioration of your mental or physical health or that of any individual covered under this Certificate. This Certificate shall remain in effect continually unless terminated by UPMC Health Plan in accordance with the termination section under your medical Policy, you elect to disenroll in coverage, you fail to meet the eligibility requirements as determined by your school or university, or your school or university no longer contracts for coverage.

Terms and Definitions to Help You Understand Your Coverage

The following are some important, frequently used terms and definitions that the Plan uses in this Certificate and when administering your benefits.

Adverse Benefit Determination – A decision by the Plan that denies, reduces, terminates, fails to provide, or fails to pay for a benefit or approves a requested health care service that is lesser in scope or an alternative to the service requested.

Appeal – A request for your Plan to review a decision that denies a benefit or payment.

Benefit Limit – The maximum amount that the Plan will pay for a Covered Service. Some Benefit Limits are discussed in this Certificate, but generally Benefit Limits are set forth in your Pediatric Vision Schedule of Benefits.

Benefit Period – The specified period of time (for which you are eligible for coverage during your university/school's contract year) during which charges for Covered Services must be incurred in order to be eligible for payment by UPMC Health Plan. A charge shall be considered incurred on the date you receive the service or supply.

Complaint – A dispute or objection you lodge regarding a Participating Vision Provider or the coverage (including contract exclusions and noncovered benefits), operations, or management policies of this vision plan, which has not been resolved by the Plan and has been filed with the Plan. Instructions on how to file a Complaint are set forth in the **Resolving Disputes with the Plan** section of this Certificate.

Copayment – The specified dollar amount that you pay at the time of service, for certain Covered Benefits. Copayments do not apply toward your coinsurance or deductible. You are expected to pay Copayments at the time of service. Refer to the Pediatric Vision Schedule of Benefits to determine Copayment amounts.

Covered Benefit or Covered Service – A service or supply that meets the requirements set forth in this Certificate.

Daily Wear Contact Lenses – Contact lenses that are approved and intended for wear during a single awake period of time, not to exceed the number of hours recommended by an eye care professional. Each day they are to be removed from the eye, cleaned, and sterilized. They are not intended for or approved for sleep.

Extended Wear (Planned Replacement/Frequent Replacement) Contact Lenses – Contact lenses that may be used for a specified period of time (daily, one week, two weeks, etc.), at which time they are discarded. In most cases they are removed, cleaned, and sterilized following wear. In some cases, they may be worn while sleeping, if approved by an eye care professional. Wearing schedules and duration of use must be as prescribed.

Grievance – A request by you or your vision provider who has your written consent to have UPMC Health Plan reconsider a decision solely concerning the Medical Necessity and appropriateness of a vision service. If UPMC Health Plan is unable to resolve the matter, a Grievance may be filed regarding the decision that:

- Disapproves full or partial payment for a requested vision service;
- Approves the provision of a requested vision service for a lesser scope or duration than requested; or
- Disapproves payment for the provision of a requested vision service but approves payment for the provision of an alternative vision service.

Maximum Allowable Charge – The maximum amount the Plan will allow for a Covered Service.

Medical Necessity or Medically Necessary – Health care services covered under your vision plan that are determined by UPMC Health Plan to be:

- Commonly recognized throughout the provider’s specialty as appropriate for the diagnosis and/or treatment of your condition, illness, disease, or injury.
- Provided in accordance with standards of good medical practice and consistent with scientifically based guidelines of medical, research, or health care coverage organizations or governmental agencies that are accepted by UPMC Health Plan.
- Reasonably expected to improve your condition or level of functioning and in conformity at the time of treatment with medical management criteria/guidelines adopted by UPMC Health Plan or its designee.
- Provided not only as a convenience or comfort measure or to improve physical appearance.
- Rendered in the most cost-efficient manner and setting appropriate for the delivery of the health service.

UPMC Health Plan reserves the right to determine whether a health care service meets these criteria.

Approval for coverage based on Medical Necessity shall be made by UPMC Health Plan, at its discretion, with input from the treating provider. Note that the fact that a provider orders, prescribes, recommends, or approves a health care service does not mean that the service is Medically Necessary or a Covered Benefit for purposes of coverage.

Member – An individual who is enrolled in and covered by this Certificate.

National Vision Administrators (NVA®) – A third-party vision administrator that provides benefit programs and a provider network for UPMC Health Plan Members.

Nonparticipating Vision Laboratory – An optical laboratory that creates, promotes, sells, provides, advertises or administers vision care supplies that is not contracted with National Vision Administrators (NVA®).

Nonparticipating Vision Provider – A vision provider who is not a contracted provider with the Plan.

Participating Vision Laboratory – An optical laboratory that has entered into an agreement with the Plan to render Covered Services to UPMC Health Plan Members through an arrangement with NVA.

Participating Vision Provider – A vision provider that has entered into an agreement with the Plan to render Covered Services to UPMC Health Plan Members. A Participating Vision Provider may also include participating providers that use an out-of-network vision laboratory.

Pediatric Vision Schedule of Benefits – List of Covered Services, Copayments, and limits.

Prior Authorization – A formal process requiring a Participating Vision Provider to obtain approval to provide particular services or procedures before they are done. This is usually required for nonemergency services that are expensive or likely to be abused or overused. NVA will identify those services and procedures that require Prior Authorization. Without Prior Authorization these services and procedures may not be covered by the Plan.

Proof of Loss – Documentation to support a claim.

Service Area – The Plan’s primary Service Area, which consists of the counties listed in the most current version of the UPMC Health Plan provider directory. These are the counties in which UPMC Health Plan is licensed to do business and in which most of its Participating Vision Providers are located.

Specialty Contact Lenses – Lenses that require additional professional time in fitting and follow up care. These include rigid gas (O2) permeable lenses, toric (correct for astigmatism) lenses, and multifocal lenses.

Usual, Customary, and Reasonable (UCR) – For the services authorized by UPMC Health Plan that are provided by a Nonparticipating Vision Provider, the UCR charge is the amount that UPMC Health Plan determines is reasonable for Covered Services pursuant to industry standards. The Nonparticipating Vision Provider may charge you the difference between the billed amount and the UCR amount.

How the Vision Plan Works

Choosing a vision provider

You are in the UPMC Health Plan

Preferred Provider Organization (PPO) vision plan administered by National Vision Administrators (NVA®). The coverage you receive under this Certificate is deemed an essential health benefit. Since you are enrolled in a PPO plan, you have the ability to self-direct your care. You have two levels of benefits. You can use Participating Vision Providers, also called in-network providers, for all Covered Services, as well as Nonparticipating Vision Providers, which are also called out-of-network providers, for most Covered Services. If you obtain services from Participating Vision Providers, you will receive the highest level of benefit coverage. If you obtain services from Nonparticipating Vision Providers, you will receive a lower level of benefit coverage. Be sure to read this Certificate to determine whether a service will be covered if obtained from a Nonparticipating Vision Provider.

Remember, if you use Nonparticipating Vision Providers, you may receive a lower level of benefit coverage, and you may be billed by those Nonparticipating Vision Providers for the difference between the vision provider's charges and the allowed amount. This means that because the Plan does not contract with a Nonparticipating Vision Provider, the vision provider can bill you for any amount over and above what the Plan covers. If a Participating Vision Provider chooses to recommend a Nonparticipating Vision Laboratory to dispense vision materials, the provider must provide written notification to you that indicates that the vision laboratory is not in-network and that you have the option to receive vision materials from an in-network vision laboratory prior to materials being ordered. You should not be charged for any services/materials covered by your plan unless otherwise indicated by your Schedule of Benefits.

To find a Participating Vision Provider, log in to MyHealth OnLine at www.upmchealthplan.com or call our Health Care Concierge team at 1-844-252-0687 (TTY:711). When you visit the vision provider's office, let your vision provider know that you are covered under UPMC Health Plan. If your vision provider has questions about your eligibility or benefits, instruct the office to call 1-877-262-7870 or visit www.upmchealthplan.com/providers. The vision provider may use demographic information, such as your name and date of birth, to verify your eligibility and submit claims.

Relationship with providers

UPMC Health Plan recognizes the importance of maintaining the continuity of care rendered to you by your treating vision providers. Accordingly, to facilitate the management and quality of your overall treatment, the Plan may exchange information, including claims information, with your vision providers.

Remember, out-of-network providers do not have to comply with UPMC Health Plan policies and procedures. If you receive out-of-network services, you may be financially responsible for the difference between what UPMC Health Plan reimburses the Nonparticipating Vision Provider and the amount billed for the treatment and services.

The relationship between the Plan and Participating Vision Providers is that of independent contractors, and neither the Plan nor any Participating Vision Provider shall be considered an agent or representative of the other for any purpose.

The Plan makes no express or implied warranties or representations concerning the qualifications or continued participation of any Participating Vision Provider. The choice to use a particular provider is solely your own.

Participating Vision Providers may be terminated in the Plan's sole discretion. You may be required to choose another Participating Vision Provider if the provider rendering services to you terminates or is terminated from participation during the term of your enrollment, unless otherwise set forth herein or as required by state or federal law or regulation.

The Plan does not provide or render Covered Services. It only makes payment or provides coverage for those covered vision services you receive that are deemed necessary. Participating Vision Providers are solely responsible

for any vision services rendered to you and their other patients. The Plan is not liable for any act or omission of any provider that renders health care services to you. The Plan has no responsibility for a provider's failure or refusal to render health care services to you.

Out-of-network services

UPMC Health Plan encourages you to use Participating Vision Providers to maximize your benefit and minimize any out-of-network expenses. Participating Vision Providers can be located by visiting www.upmchealthplan.com, clicking on Find Care at the top of the page, and then selecting Vision.

In the event you select to have services performed by a Nonparticipating Vision Provider, UPMC Health Plan will reimburse you for eligible services up to the benefit maximum. You may download an out-of-network claim form by logging in to MyHealth OnLine via www.upmchealthplan.com or call our Health Care Concierge team at 1-844-252-0687 (TTY:711) to have a form sent to you.

For care outside of Pennsylvania

To locate a participating out-of-area provider, visit our website at www.upmchealthplan.com or call the Health Care Concierge team at 1-844-252-0687 (TTY:711) for assistance.

When using an out-of-area provider, identify yourself as a UPMC Health Plan Member, and the provider will verify eligibility and submit the claim on your behalf.

Remember, out-of-network providers do not have to comply with UPMC Health Plan policies and procedures. If you receive out-of-network services, you may be financially responsible for the difference between what UPMC Health Plan reimburses the Nonparticipating Vision Providers and the amount billed for the treatment and services.

Benefits

UPMC Health Plan provides coverage for the following vision services in accordance with UPMC Health Plan policies and procedures. Refer to your Pediatric Vision Schedule of Benefits for Copayment amounts as well as any Benefit Limits related to Covered Services. You may obtain Covered Services from either Participating or Nonparticipating Vision Providers and receive varying levels of coverage, as discussed throughout this Certificate. Remember that a statement from your vision provider saying he or she believes you should have certain services does not mean that those services are Covered Services for purposes of coverage under your vision plan.

Services

The general descriptions below explain the services on your Pediatric Vision Schedule of Benefits. The descriptions are *not* all-inclusive. They include only the most common vision procedures in a class or service grouping. Specific vision procedures may not be covered depending on your Plan. Refer to your Pediatric Vision Schedule of Benefits for Copayment amounts as well as any Benefit Limits related to Covered Services. Services covered in your Pediatric Vision Schedule of Benefits are also subject to the Schedule of Exclusions included in this document and in your Medical Policy. You may also log in to MyHealth OnLine at www.upmchealthplan.com to check your coverage. Also, your vision provider may call UPMC Health Plan to verify coverage of specific vision procedures.

Vision Examinations: The comprehensive examination includes case history, examination for pathology or anomalies, visual acuity (clearness of vision), refraction, tonometry (glaucoma test), and dilation (if professionally indicated). Eligible members are entitled to have a vision examination once every 12 months:

- New patient
- Established patient

Lenses: Coverage is provided in full for standard polycarbonate eyeglass lenses. You are entitled to receive one pair of lenses once every 12 months. Options may include:

- Single vision
- Bifocal
- Trifocal
- Lens options may be available at an additional cost to you or may not be available when you receive them from an out-of-area provider.

UPMC Health Plan provides discounted pricing on additional lens options, such as coatings, polarization, and other lens add-ons. A Copayment may apply for these additional services. Refer to your Pediatric Vision Schedule of Benefits and Additional Lens Options document for plan-specific benefit information.

Frames: Frames reimbursement is based on retail allowance and a percentage of the provider's agreed-upon reimbursement. Please refer to your Pediatric Vision Schedule of Benefits. You may select any frame from the Participating Vision Provider's inventory of collection frames, not exceeding \$100, that are covered at 100 percent. Any frames not included in the collection and in excess of your plan allowance are your responsibility. A 20 percent discount may apply to amounts exceeding the plan and allowance and may vary by Participating Vision Provider. You are entitled to one frame once every 12 months.

Contact lenses (if deemed Medically Necessary): Medically Necessary contact lenses are covered at 100 percent with Prior Authorization when prescribed for a qualifying ocular condition. Contact lenses are only covered if they are deemed Medically Necessary by UPMC Health Plan, once every 12 months from the last date of service. This may include:

- A separate allowance for the fitting fee
- Lens material

The contact lens benefit includes all types of contact lenses, such as hard, soft, gas permeable, and disposable lenses, in lieu of eyeglasses. UPMC Health Plan also offers Members an interim discount benefit through the NVA **EYEESSENTIAL® Plan**. Refer to your Pediatric Vision Schedule of Benefits plan documents for discounts on exams, lenses for eyeglasses, frames, and contact lenses. If you choose additional options not specified in your plan documents, you are responsible for the additional cost of the options to be paid directly to the provider. Not all providers participate in the discount plan. To locate a **provider that participates in the NVA EYEESSENTIAL® Plan, visit www.upmchealthplan.com** or call the Health Care Concierge team at 1-844-252-0687 (TTY: 711) for assistance.

Any add-ons or treatments not listed on your Pediatric Vision Schedule of Benefits, additional lens options, or NVA EYEESSENTIAL® documents are not covered by or to be billed to UPMC Health Plan.

Replacement eyeglass policy

If you require replacement of broken eyeglasses (frames and/or lenses), you may receive such replacement, with Prior Authorization from the Plan. The replacement frames and/or lenses are considered a lifetime benefit, payable once per eligible Member, and are available to you during the duration of your coverage. Replacements must be of the same frame (if still commercially available), lens type, material, and prescription. Only those parts (frame or lenses) requiring replacement will be replaced, and it may be necessary to return the frame to the laboratory to have the new lenses installed. Replacement eyeglasses will only be covered up to the plan maximum. Any costs exceeding the plan maximum, including the cost for replacing any lens options that may have originally been purchased, such as special coatings, progressive lenses, etc., will be your responsibility. Contact lenses are covered by the replacement policy. The replacement eyeglass policy applies to eyeglasses broken accidentally after you receive and accept them. In instances in which minor repairs may be made (for example missing nose pads or missing screws), you may be charged a \$5 repair fee. The replacement and repair policy may not apply or vary when receiving services from a Nonparticipating Vision Laboratory. Please consult your vision provider regarding its replacement/repair policy.

UPMC Health Plan policy on nonadapts for Members with progressive addition lenses (PALS) and digital single vision lenses

On occasion, Members receiving PALS or certain types of digital single vision lenses experience difficulty in adapting to this new lens technology, even though the prescription is correct, and the Member is properly fitted. The vision industry considers this to be a “nonadapt” situation, for which the UPMC Health Plan Program provides protection in the form of the following warranty.

If you are unable to adapt to a PAL or digital single vision lens, you will be offered a replacement pair of conventional single vision, bifocal, or trifocal lenses in the same frame at no charge. The replacement lenses must be the same material and prescription as the original lenses and will include, at no additional charge, any lens options for which you previously paid a fee. Please note that any amount you paid for the original lenses is not refundable, so be sure that you discuss your visual needs and likelihood of success in wearing these lenses with your provider before placing your order.

This replacement policy is valid for up to 90 days from the receipt of your eyeglasses and may not apply when a Nonparticipating Vision Laboratory is used.

Pediatric Vision Schedule of Benefits

Your benefits are shown on the Pediatric Vision Schedule of Benefits included in this packet. The Pediatric Vision Schedule of Benefits shows:

- The classes of vision services covered, shown with the Maximum Allowable Charge that the Plan pays for those services.
- Any of your out-of-pocket costs or cost sharing for a Covered Service.
- Any Copayments that must be paid per Benefit Period before any Covered Services will be paid by the Plan.
- Any limits for Covered Services for a given period of time; for example, annual limitations on lenses. Annual limits are applied on a Benefit Period basis.

Your out-of-pocket costs

In order to keep the plan affordable for you, the plan includes certain cost-sharing features. If the class or service grouping is not covered under the plan, the Pediatric Vision Schedule of Benefits will indicate “not covered.” You will be responsible for paying your vision provider the full charges for services that are not Covered Services.

Exclusions

No benefits will be provided for services, supplies, or charges detailed in the Schedule of Exclusions.

Claims

Claims submissions

If you receive care from a Participating Vision Provider, you should not have to submit a claim to the Plan. The Participating Vision Provider will bill the Plan, and the Plan will pay the provider directly. However, if you obtain Covered Services from a Nonparticipating Vision Provider, you may have to file a claim yourself. To submit a claim, follow the steps below.

To obtain an out-of-network claim form, log in to *MyHealth OnLine* via www.upmchealthplan.com or contact UPMC Health Plan at 1-844-252-0687 (TTY:711). Be sure to include the following information on the claim form:

- Your name
- Your date of birth
- The policyholder's Social Security number
- The policyholder's name and address
- The name and policy number of a second insurer if you are covered by another vision plan
- Proof of payment (if you do not have proof of payment, you will need to include detailed information about the service – provider name, address, date of service, and amount charged)

Claim forms should be sent to:

UPMC Health Plan P.O. Box 106039
Pittsburgh, PA 15230-6039

Remember, a request for payment of a claim will not be reviewed and no payment will be made unless all the information described above has been submitted to the Plan. The Plan reserves the right to require additional information and documents, if necessary, to support your claim. Should you have any questions concerning your coverage, eligibility, or a specific claim, contact UPMC Health Plan at 1-844-252-0687 (TTY:711) or log in to *MyHealth OnLine* at www.upmchealthplan.com.

Notice of claim

The Plan will not be liable under this Certificate unless proper notice is furnished to the Plan that Covered Services in this Certificate have been rendered to you. Written notice must be given to the Plan within 20 days of the date in which the Covered Services were rendered or as soon as reasonably possible thereafter. You must give notice to the Plan in writing at UPMC Health Plan, P.O. Box 106039, Pittsburgh, PA 15230-6039. The notice must include the data necessary for the Plan to determine benefits such as the date of service, services rendered, provider name, office location, charges, etc. A charge shall be considered "incurred" on the date you receive the service or supply for which the charge is made.

Claim forms

Proof of Loss for benefits under this Certificate must be submitted to the Plan on the appropriate claim form. The Plan, upon receipt of notice of claim, will, within 15 days of the date the notice of a claim is received, furnish claim forms to you for filing Proofs of Loss. If claim forms are not furnished within 15 days after the giving of such notice, you shall be deemed to have complied with the requirements of this subsection as to filing a Proof of Loss upon submitting, within 90 days, itemized bills for Covered Services as described below. Proof of Loss may be submitted to the Plan at the claim address provided above.

Proof of Loss

Written Proof of Loss must be furnished to the Plan within 90 days after the date of such loss. Failure to give notice to the Plan within the time required will not reduce any benefit if it is shown that the notice was given as soon as reasonably possible, but in no case, except in the absence of legal capacity, will the Plan be required to accept notice later than one year after the end date in which the Covered Service was rendered.

Timely payment of claims

Subject to due written Proof of Loss, all claims payable under this Certificate will be paid immediately, according to any applicable regulatory requirements. For submitted claims, the Plan will not be liable under this Certificate unless proper notice is furnished to the Plan that Covered Services have been rendered to you.

UPMC Health Plan will not be responsible for payment of claims for Covered Services that are submitted more than one year from the date of service.

Payment of claims

Claims payable under this Certificate when loss of life has occurred will be payable in accordance with the beneficiary designation and the provisions respecting such payment, which may be prescribed herein and effective at the time of payment. If no such designation or provision is then effective, claims shall be payable to your estate. Any other accrued claims unpaid at your death may, at the option of the Plan, be paid either to such beneficiary or to such estate. All other claims will be payable to you.

Payment of benefits

If you have treatment performed by a Participating Vision Provider, we will pay Covered Benefits directly to the Participating Vision Provider. Payment will be based on the Maximum Allowable Charge that the treating Participating Vision Provider has contracted to accept and what your vision benefit allows.

If you receive treatment from a Nonparticipating Vision Provider, we will send payment for Covered Benefits to you unless otherwise indicated on the claim form. Both you and the Nonparticipating Vision Provider will be notified of the Plan payment and any amounts you owe for charges exceeding your benefit limits or denial of noncovered services. The Plan payment will be based on the Maximum Allowable Charge for the services. You will be responsible for paying the vision provider any difference between the Plan's payment and the vision provider's full charge for the service. Your right to reimbursement for any Covered Service is not assignable.

Change of beneficiary

The right to change of beneficiary is reserved for you, and the consent of the beneficiary or beneficiaries shall not be requisite to the surrender or assignment of this Certificate or to any change of beneficiary or beneficiaries, or to any other changes in this Certificate.

Overpayments

If we make an overpayment for benefits, we have the right to recover the overpayment. In the event that overpayment was made to you, we will recover the overpayment by requesting a refund. In the event that overpayment was made to the provider, we will recover the overpayment by either requesting a refund or offsetting the overpayment amount from future claim payments. Recovery will be done in accordance with any applicable state laws or regulations.

Coordination of Benefits

When you are eligible for coverage under more than one vision plan, the Plan will coordinate your benefits with those plans. The Plan does this to make sure that your benefits are paid appropriately while preventing duplicate payments. This is how coordination of benefits works for your benefit plan:

- When your other coverage does not mention “coordination of benefits,” then that coverage pays first. Benefits Paid or payable by that coverage will be taken into account when we determine if additional benefit payments can be made under this plan.
- When you are covered as an employee under one plan and as a dependent under another, the employee coverage pays first.
- When a dependent child is covered under two plans, the plan covering the parent whose birthday occurs earlier in the calendar year pays first. If both parents have the same birthday, then the plan under which one parent was covered longest pays first.
- If the dependent child’s parents are separated or divorced and:
 - The parent with custody of the child has not remarried, the coverage of the parent with custody pays first.
 - The parent with custody has remarried, the coverage of the parent with custody pays first, but the stepparent’s coverage, if any, pays before the coverage of the parent without custody.
 - There is a court order that specifies the parent who is financially responsible for the child’s vision expenses, the coverage of that parent pays first.
- If the service is also covered under a medical plan in which you may be enrolled in, the medical plan pays first. If it is a covered vision benefit, vision coverage will be considered the secondary payer.
- When none of the above circumstances apply, the coverage that you have had the longest a will pay first, as long as:
 - The benefits of a plan covering the person as an employee other than a laid-off or retired employee or as the dependent of such person shall be determined before the benefits of a plan covering the person as a laid-off or retired employee or as a dependent of such person; and
 - The other plan does not have a provision regarding laid-off or retired employees and, therefore, the benefits of each plan are determined after the other, then the provisions previously listed shall not apply.

If you or your vision provider receives more than you should have when your benefits are coordinated, you or your vision provider will be expected to repay the overpayment.

It is the policy of UPMC Health Plan to review all other insurance coverage before releasing a claim for payment. If other insurance coverage is found after a payment has been made, a review will determine which plan pays first and what action will be taken with regard to any claims in question. If payments should have been made by the Plan, but the payments were made under another benefit plan, UPMC Health Plan has the right to pay to the benefit plan that made the payment any amount that the Plan determines to be appropriate under the terms of this Certificate. Any amounts paid shall be considered to be benefits paid in full under this Certificate.

If the Plan makes a payment for Covered Services in excess of the amount of payment pursuant to this Certificate, irrespective of to whom those amounts were paid, UPMC Health Plan shall have the right to recover the excess amount from any person or entity to or for whom such payments were made. Upon reasonable request by the Plan or its agent, you must execute and deliver such documents as may be required and do whatever else is reasonably necessary to secure UPMC Health Plan's rights to recover the excess payments.

UPMC Health Plan is not required to determine whether or not you have other vision benefits or insurance or the amount of benefits payable under any other vision benefits or insurance. The Plan shall only be responsible for coordination of benefits to the extent that information regarding your other insurance is provided to the Plan by you, your employer or plan sponsor, another insurance company, or any other entity or person authorized to provide such information.

Workers' compensation

When a Member is eligible for workers' compensation benefits through employment, the cost of vision treatment for an injury that arises out of and in the course of a Member's employment is not a Covered Benefit under this Plan. If the Plan pays for services that are covered by a workers' compensation policy, the Plan has the right to obtain reimbursement for those benefits paid. The Member must provide any assistance necessary, including furnishing information and signing necessary documents, for the Plan to receive the reimbursement.

Review of a benefit determination

If you are not satisfied with the Plan's benefit, please contact us at 1-844-252-0687(TTY:711). If, after speaking with our Health Care Concierge team, you are still dissatisfied, refer to the **Resolving Disputes with the Plan** subsection for further steps you can take regarding your claim.

Resolving Disputes with the Plan

At times you may not be satisfied with a decision that the Plan makes regarding your coverage or with the vision services you have received. As a Member of UPMC Health Plan, you have the right to file a Complaint or Grievance also referred to as an appeal of an Adverse Benefit Determination for the purposes of the Affordable Care Act.

The Complaint and Grievance process

You have 180 calendar days after an issue arises to file an appeal with UPMC Health Plan. This may be done verbally or in writing. This may include issues such as a notice of a denial of coverage, an Explanation of Benefits showing a denial, or other Adverse Benefit Determination. Your appeal will be classified as either a “Complaint” about a participating health care provider or the coverage, operations, or management policies of UPMC Health Plan, or a “Grievance” about a decision by UPMC Health Plan regarding the Medical Necessity or appropriateness of a vision service.

To initiate the Complaint or Grievance process, you or your representative may submit your request in writing to the address below. You are encouraged to include supporting documentation with your request or have your vision provider submit additional clinical information.

Member Complaints
P.O. Box 2939
Pittsburgh, PA 15230-2939

You may designate a representative to act on your behalf at any point during the Complaint or Grievance process. You may also contact Member Services to ask that a UPMC Health Plan staff member help you prepare your Complaint or Grievance. Member Services can provide additional information about care associated with the claim, coverage or treatment. Verbal appeals can be made to our Health Care Concierge team by calling 1-844-252-0687 (TTY:711).

You are entitled to receive, upon request, reasonable access to copies of all documents relevant to your Complaint, Grievance, or Adverse Benefit Determination free of charge, or instructions on how to obtain the documents. Documentation may include the benefit provision, guideline, protocol, diagnosis codes, or treatment codes on which the decision was based. To request this documentation, please call the phone number on the back of your member identification card. While it is recommended to send your Complaint or Grievance in writing, the member services department can take your concern over the phone and forward your appeal to the complaint and grievance department for processing

1. UPMC Health Plan acknowledges the Complaint or Grievance.

The Plan sends a letter to you within five business days stating that it has received the Complaint or Grievance.

2. The Initial Review Committee investigates the Complaint or Grievance.

The Committee, which consists of one or more Plan employees, investigates the Complaint or Grievance.

3. The Committee makes a decision and notifies you.

The Committee makes a decision within 30 calendar days of receiving a Complaint or post service Grievance, or 15 days for a pre-service Grievance. The Committee notifies you in writing within five business days of making its decision, giving its reasons and your appeal rights, if applicable

Schedule of Exclusions

What is not covered

Not all vision services are Covered Services. The following is a list of services that are not covered under your vision plan. If you are not sure if a service is covered, call us at 1-844-252-0687 (TTY:711) to ask if that service is covered under your vision plan.

- **Blood:** Nonpurchase blood or blood products, including autologous donations.
- **Cosmetic surgery:** Surgical or other services performed solely for cosmetic reasons (to repair or reshape a body structure for the improvement of the person's appearance or for psychological or emotional reasons and from which no improvement in physiological function can be expected.)
- **Court-ordered services:** Court-ordered services when your vision provider or other professional provider determines that those services are not appropriate vision treatment.
- Employment-related or employer-sponsored services:
 - A. For any illness or bodily injury that occurs in the course of employment, if benefits or compensation is available, in whole or in part, pursuant to any federal, state, or local government's workers' compensation, or occupational disease or similar type of legislation. This exclusion applies whether or not you claim those benefits or compensation.
 - B. Services that you receive from a vision or medical department operated, in whole or in part, by or on behalf of, an employer, mutual benefit association, labor union, trust, or similar entity.
- **Experimental/Investigational:** Services that are Experimental/Investigational in nature as determined by the Plan.
- **Medical/Vision services not identified as "covered" in this Certificate:** Any other medical or vision service or treatment, except as provided in this Certificate or as mandated by law.
- **Medicare:** Services for which or to the extent that payment has been made pursuant to Medicare coverage, when Medicare coverage is primary.
- Military service:
 - A. Care for military service-connected disabilities and conditions for which you are legally entitled to services and for which facilities are reasonably accessible to you.
 - B. Services that are provided to Members of the armed forces and the National Health Service or to individuals in Veterans Administration facilities for military service-related illness or injury, unless you have a legal obligation to pay.
- **Miscellaneous:** Any services, supplies, or treatments not specifically listed in the Certificate as Covered Benefits, services, supplies, or treatments, unless they are a basic vision service.
 - A. Any services related to or necessitated by an excluded item or noncovered service.
 - B. Services provided by a unlicensed practitioner.
 - C. Services that are primarily educational in nature.
 - D. Services incurred after the date of termination of your coverage, except as provided elsewhere in this Certificate.
 - E. Services rendered before the effective date of your coverage.
 - F. Services for which you otherwise would have no legal obligation to pay.
 - G. Charges for telephone consultations unless otherwise allowed in accordance with Plan Policy.
 - H. Charges for failure to keep a scheduled appointment.
 - I. Services performed by a vision provider enrolled in an education or training program when such services are related to the education or training program.
 - J. Charges for completion of any insurance form or copying of vision or medical records.
 - K. Services that are submitted by two different vision providers for the same services performed on the same date for the same individual.
 - L. Services for, or related to, any illness or injury suffered after the effective date of your coverage that is the result of any act of war.

- M. Services that are more than the maximum allowable fee schedule amount.
- N. Charges for vision care that is not deemed necessary to improve visual impairment.
- O. Expenses incurred by you to the extent that benefits are paid or payable for those expenses under the mandatory part of any auto insurance policy written to comply with a “no-fault” insurance law or an uninsured motorist insurance law. The Plan will take into account any adjustment option chosen under such part by you.
- P. Vision examination or materials required for employment.
- Q. Replacement of lost or stolen eyewear (glasses or contact lenses) or broken or damaged lenses, unless otherwise stated in plan documents. NVA network providers may offer additional warranties to cover materials unless otherwise stated in plan documents.
- R. Contact lenses or frames except at normal intervals when service would otherwise be available.
- S. Services or materials provided by federal, state, local government or workers’ compensation.
- T. Industrial safety lenses and safety frames with or without side shields.
- U. Parts or repair of frame/sunglasses.
- V. Replacement of a lost or stolen appliance
- **Motor vehicle accident/workers’ compensation:** Treatment or services for injuries resulting from the maintenance or use of a motor vehicle to the extent that such treatment or service is paid or payable under a motor vehicle insurance policy, or any injury suffered in the course and scope of performing work for which coverage is afforded under a workers’ compensation policy, including, but not limited to, a qualified plan of self-insurance, or any fund or program for the payment of extraordinary medical or vision benefits established by law, including medical benefits payment in any manner under the Pennsylvania Motor Vehicle Financial Responsibility Act or an equivalent law of another state.
- **Prescription drugs.**
- **Professional services and/or materials in connection with:**
 Plano (nonprescription) lenses.
 Aniseikonic lenses.
 Subnormal visual aids.
 Orthoptics, vision training, developmental vision procedures, and any associated supplemental testing.
 Two pairs of glasses in lieu of bifocals.

General Provisions

This Certificate includes and incorporates any and all Schedules of Benefits and, together, the Pediatric Vision Certificate of Insurance and Pediatric Vision Schedule of Benefits represent the entire agreement between the parties with respect to the subject matter. The failure of any section or subsection of this Certificate shall not affect the validity, legality, and enforceability of the remaining sections.

Except as otherwise herein provided, this Certificate may be amended, changed, or modified only in writing by the Plan and thereafter attached hereto as part of this Certificate.

The Plan may assign this Certificate and its rights and obligations hereunder to any entity under common control with the Plan.

The pertinent laws and regulations for interpretation and enforcement of the Certificate are the laws and regulations of the Commonwealth of Pennsylvania.

Amendment

Anything contained herein to the contrary notwithstanding, UPMC Health Plan shall have the right, for the purpose of complying with the provisions of any law or any lawful order of a regulatory authority, to amend the Certificate or any attachment hereto or to increase, reduce, or eliminate any of the benefits provided for in the Certificate for any one or more eligible Members enrolled under the Certificate, and each party hereby agrees to any amendment of the Certificate which is necessary in order to accomplish such purpose.

Application and statements

Applicants for coverage under this plan shall complete and submit such application or other forms or statements as UPMC Health Plan may reasonably request. Applicants for coverage under this plan represent that all information contained in such application forms, or statements submitted for enrollment under this Certificate or the administration hereof shall be true, correct, and complete to the best of their knowledge or belief, and all rights to benefits hereunder are subject to the condition that such information shall be true, correct, and complete. A person who knowingly and with intent to defraud UPMC Health Plan by completing forms containing false information or by omitting relevant information commits a fraudulent insurance act, which is a crime and may be subject to criminal and civil penalties or the termination of coverage hereunder. Please see the Time limit on certain defenses (below) provision regarding information you submitted.

Entire contract; changes

Subject to the contract between you and UPMC Health Plan, this Certificate of Insurance, including the schedules, riders and other documents attached hereto and issued in accordance herewith, represents the entire contract of insurance between you and the Plan. No agent or representative of UPMC Health Plan other than a Health Plan officer may otherwise change this Certificate or waive any of its provisions. All statements you made will, in the absence of fraud, be deemed representation, and not warranties and no such statement will be in defense to a claim under this Certificate, unless it is contained in a written instrument signed by and furnished to you.

Fraud, waste and abuse

According to Pennsylvania statute:

Any person who knowingly and with intent to defraud any insurance company or other person files an application for insurance or statement of claim containing any materially false information or conceals for the purpose of misleading, information concerning any fact material thereto, commits a fraudulent insurance act, which is a crime and subjects such person to criminal and civil penalties.

UPMC Health Plan is committed to the integrity of, provision of, and payment for health care services to our Members. In the event that you suspect that a UPMC Health Plan Member or provider is committing fraud or

abuse, contact our Special Investigations Unit at 1-866-FRAUD01 (1-866-372-8301) or specialinvestigationsunit@upmc.edu.

Governing Law

This Certificate is entered into and is subject to the laws of the Commonwealth of Pennsylvania. The invalidity or unenforceability of any terms or conditions hereof in no way affects the validity or enforceability of any other terms or provision. The waiver by either party of a breach or violation of any provision of this Certificate shall not operate as or be construed to be a waiver of any subsequent breach or violation thereof.

Legal actions

No action in law or in equity shall be brought to recover on the policy prior to the expiration of sixty (60) days after written Proof of Loss has been filed in accordance with the requirements of the policy. No such action shall be brought after the expiration of three (3) years after the time written Proof of Loss for Covered Services is required to be furnished.

Misstatement of age

If your age has been misstated, all amounts payable under the plan shall be the premium amount owed if The Plan had been purchased at the correct age. UPMC Health Plan shall notify you of the correct premium amount on immediately following its discovery of the error. The correct premium amount shall also be applied retroactively, which may result in you owing additional premium amounts as of the Effective Date of your Certificate.

Physical examinations

The Plan, at its own expense, shall have the right and opportunity to examine the Member when and as often as it may reasonably require during the pendency of a claim hereunder.

Grace period

Subject to meeting the eligibility requirements as determined by your school or university which provided this Certificate, a grace period of thirty (30) days from the due date will be granted for payment of the required premium. During the grace period, the Certificate will remain in force. If the required premium payment is not received by the end of the thirty (30)-day grace period, the Certificate will automatically terminate effective the end of the Grace Period. Any claims received and found otherwise eligible during the Grace Period will be paid and may be reduced by any then outstanding premiums.

Reinstatement

If your coverage under this Certificate has been terminated for failure to pay premiums, the Plan will reinstate your coverage as long as the premium due is paid in full within 30-calendar days after the end of the grace period and you meet the eligibility requirements as determined by your school or university which is provided in this Certificate. In all other respects the insured and insurer shall have the same rights thereunder as they had under the Certificate immediately before the due date of the defaulted premium, subject to any provisions endorsed hereon or attached hereto in connection with the reinstatement.

Release of information

Each Member agrees that any person or entity having information relating to an illness or injury for which benefits are claimed under the Certificate may furnish to UPMC Health Plan, upon its request, any information (including copies of records) relating to the illness or injury. In addition, UPMC Health Plan may furnish similar information regarding claims and charges that providers submitted to UPMC Health Plan to other entities that provide similar benefits at the entity's request. Each Member further agrees that approval by UPMC Health Plan of any benefits for services rendered under the Certificate is contingent upon furnishing such information or records or copies of records.

Time Limit on Certain Defenses

No misstatements, except fraudulent misstatements, made by the applicant in the application for such coverage shall be used to void this plan or to deny a claim commencing after the expiration of three years from the date of issue of this Certificate. UPMC Health Plan will not reduce or deny any claim for loss that you may incur from the date your plan started on the grounds that a disease or physical condition existed before the date your plan started, unless the disease or physical condition was excluded from coverage by name or by a specific description that was in effect on the date of loss. Material misrepresentations will, at the option of UPMC Health Plan, render this plan void from inception, provided that such material misrepresentations are discovered by UPMC Health Plan within three (3) years of the Effective Date. In the event UPMC Health Plan elects to void this Plan, you forfeit any charges paid to the extent of any liability incurred by UPMC Health Plan.
