**Disclosure**

The information presented in this Summary Guide to Benefits is intended to provide a general overview and discussion of the plans. Descriptive literature is available from the Carriers and the Office of Human Resources. Additional details of the benefits presented may also be found at www.hr.pitt.edu/benefits. The rights and obligations of employees and those of the University are governed by the terms of each benefit plan and, in some cases, by contracts with the insurance companies. The plans are based on current federal and state laws and are regulated by those laws. If there is a conflict between the Summary Guide to Benefits and the plan/contracts, then the plan and contracts will control.

Benefits may be modified as required by applicable laws, and benefits may be modified or terminated as deemed necessary or appropriate by the University. Any such modifications or terminations will be communicated in writing, as appropriate. Staff covered under collective bargaining agreements are governed by the terms of those agreements. No one speaking on behalf of the plans or purporting to speak on behalf of the plans can modify the terms of the plans in any way. The terms of the plans control in all instances.

**Enrollment and Status Changes Outside of Open Enrollment**

**Enrollment**

Health and welfare plans for faculty and staff generally operate on a plan year, which runs from July 1 through June 30 (a 12-month period). These health and welfare plans include medical, dental, vision, flexible spending accounts, life, accidental death and dismemberment (AD&D), and dependent life insurances. If applicable, short-term and/or long-term disability, retirement, and long term care (LTC) benefits may be included in your benefits package, but are not subject to the plan year.

The effective date of coverage is dependent upon your date of hire. If you are hired on the first business day of the month, coverage becomes effective the first day of the same month. If you are hired after the first business day of the month, coverage becomes effective the first day of the next month. An initial benefit enrollment period for newly hired employees is 31 days from the date of hire.

For those who are subject to the plan year rules (outside of the initial benefit enrollment period), new enrollments, cancellations, and changes to coverage may only be made during future open enrollment periods or due to a qualified status change when the request for a change is made within 60 days of the life event. The effective date for a status change is the first day of the month following the date of the qualifying event.

**Life Events (Qualified Status Changes)**

www.hr.pitt.edu/benefits/qualifired

A Qualified Status Change may include:

- Marriage or divorce
- Birth, adoption, or custody of a child or stepchild
- Spouse/domestic partner’s gain or loss of employment, or obtaining or losing coverage
- Death of a spouse/domestic partner or child
- Loss of Medicaid or CHIP coverage or becoming eligible for a premium assistance subsidy

You must make your election within 60 days when the qualified status change occurs. Appropriate documentation must be submitted for any dependents being added to health and welfare plans. Documentation requirements can be reviewed at www.hr.pitt.edu/eligibility. Please note that primary care physicians and primary dental offices may be changed at any time during the year directly through the respective insurance carrier, not just at open enrollment or because of a status change.

**Enroll in or Make Changes to Benefits**

1. Visit login.pittworx.pitt.edu, and log in via Pitt Passport with your Pitt username and password (if not logged in)
2. In Pitt Worx, select Benefits from the Me page
3. Select the Make Changes button
4. Follow the on-screen instructions for enrolling in or making changes to your benefits.

For detailed steps about enrolling, visit the Pitt Worx Hub at pittworx.pitt.edu/hub/benefits.

**Note:** If you are adding dependents, you must add them in Before You Enroll and upload the appropriate documentation in Document Records prior to enrolling. You will not be able to enroll new dependents in benefits coverage until documentation is added.

**Accessing Current Benefits Elections**

After logging in to Pitt Worx, select Benefits from the Me page, then select Your Benefits. On the My Benefits page, select Active Program.

**Pre-65 retirees, surviving spouses/domestic partners, long-term disability participants, prolonged worker’s compensation participants, and COBRA participants will not enroll via Pitt Worx. Participants will receive their associated enrollment forms through Benefit Management Services (BMS).**

Participants who receive forms from BMS should return their forms to BMS if making changes or electing benefits.

Policies and Notices

Children's Health Insurance Program Reauthorization Act (CHIPRA)

CHIPRA requires employers offering group health plans to notify employees of their potential rights to receive premium assistance under a state's Medicaid or CHIP program.

CHIPRA has two different rules that could benefit certain employees of the University. First, CHIPRA offers a premium assistance program for participants who are eligible for a Medicaid or a CHIP program and who have an annual income below 150% of the federal poverty level. Second, CHIPRA includes two Qualified Status Change events. The Qualified Status Change events occur either when an eligible participant's enrollment ends in Medicaid or a state's CHIP program, or when an employee becomes eligible for the premium subsidy and can enroll in the University's coverage. If either of those two events occur, the employee must request coverage from the University within 60 days of the event.

Summaries of Benefits and Coverage

Summaries of Benefits and Coverage (SBC) provide applicants, enrollees, and policyholders with government mandated comparable information about health plan benefits and coverage options to help you evaluate the plans. The University provides summaries of benefits and coverage options for its group of plans, and for customized information to compare between the University and other plans.

We encourage you, your spouse/domestic partner, and dependents to access the summaries online and review them in conjunction with open enrollment and any time after. The notice of the availability of this information online and your ability to access the information is deemed to be delivery of those notices. You have the right to request any notice in paper copy by contacting the Plan Administrator.

Additional Notices

The following policies and notices, including all of those mentioned on this page, are available online at www.hr.pitt.edu/benefits/notices.

We encourage you, your spouse/domestic partner, and dependents to access the additional notices online and review them in conjunction with open enrollment and any time after.
