Enrollment and Status Changes Outside of Open Enrollment

Enrollment
Health and welfare plans for faculty and staff generally operate on a plan year, which runs from July 1 through June 30 (a 12-month period). These health and welfare plans include medical, dental, vision, flexible spending accounts, life, accidental death and dismemberment (AD&D), and dependent life insurances. If applicable, short-term and/or long-term disability, retirement, and long term care (LTC) benefits may be included in your benefits package, but are not subject to the plan year.

The effective date of coverage is dependent upon your date of hire. If you are hired on the first business day of the month, coverage becomes effective the first day of the same month. If you are hired after the first business day of the month, coverage becomes effective the first day of the next month. An initial benefit enrollment period for newly hired employees is 31 days from the date of hire.

For those who are subject to the plan year rules (outside of the initial benefit enrollment period), new enrollments, cancellations, and changes to coverage may only be made during future open enrollment periods or due to a qualified status change when the request for a change is made within 60 days of the life event. The effective date for a status change is the first of the month following the date of the qualifying event.

Life Events (Qualified Status Changes)
www.hr.pitt.edu/benefits/qualified
A Qualified Status Change may include:
» Marriage or divorce
» Birth, adoption, or custody of a child or stepchild
» Spouse/domestic partner’s gain or loss of employment, or obtaining or losing coverage
» Death of a spouse/domestic partner or child
» Loss of Medicaid or CHIP coverage or becoming eligible for a premium assistance subsidy

You must make your election within 60 days of when the qualified status change occurs. Appropriate documentation must be submitted for any dependents being added to health and welfare plans. Documentation requirements can be reviewed at www.hr.pitt.edu/eligibility. Please note that primary care physicians and primary dental offices may be changed at any time during the year directly through the respective insurance carrier, not just at open enrollment or because of a status change.

Enroll in or Make Changes to Benefits
1. Visit login.pittworx.pitt.edu, and log in via Pitt Passport with your Pitt username and password (if not logged in)
2. In Pitt Worx, select Benefits from the Me page
3. Select the Make Changes button
4. Follow the on-screen instructions for enrolling in or making changes to your benefits.

For detailed steps about enrolling, visit the Pitt Worx Hub at pittworx.pitt.edu/hub/benefits.

Note: If you are adding dependents, you must add them in Before You Enroll and upload the appropriate documentation in Document Records prior to enrolling. You will not be able to enroll new dependents in benefits coverage until documentation is added.

Accessing Current Benefits Elections
After logging in to Pitt Worx, select Benefits from the Me page, then select Your Benefits. On the My Benefits page, select Active Program.

Pre-65 retirees, surviving spouses/domestic partners, long-term disability participants, prolonged worker’s compensation participants, and COBRA participants will not enroll via Pitt Worx. Participants will receive their associated enrollment forms through Benefit Management Services (BMS).

Participants who receive forms from BMS should return their forms to BMS if making changes or electing benefits.
