Members may obtain a 90-day supply of medication at any participating retail pharmacy, but three copayments will apply. Members may obtain a 90-day supply at a discounted price through mail order, Falk Pharmacy, or the University Pharmacy. For example, at the University Pharmacy members pay \$32 for a 90-day supply of a preferred generic medication, while the cost is \$48 at a retail pharmacy (\$16 x 3). Specialty medication is not available at the discounted price.

Please note that the prescription drug formulary is subject to change periodically based upon the decisions of the UPMC Pharmacy and Therapeutics Committee. Examples include introduction of new medications, changes in tier level (i.e., brand name to generic), etc. For additional information about the prescription drug program, please visit www.hr.pitt.edu/prescription-drug.
