This Schedule of Benefits will be an important part of your Certificate of Coverage (COC) or your Summary Plan Description (SPD). If your plan has an SPD, it is issued by your employer or labor trust fund. It is not issued by UPMC Health Plan. It is important that you review and understand your COC and/or SPD because they describe in detail the services your plan covers. The Schedule of Benefits describes what you pay for those services.

For Covered Services to be paid at the level described in your Schedule of Benefits, they must be Medically Necessary. They must also meet all other criteria described in your COC. Criteria may include Prior Authorization requirements.

Please note that your plan may not cover all of your health care expenses, such as Copayments and Coinsurance. To understand what your plan covers, review your COC. You may also have Riders and Amendments that expand or restrict your benefits.

If you have any questions about your benefits, or would like to find a Participating Provider near you, visit www.upmchealthplan.com. You can also call UPMC Health Plan Member Services at the phone number on your member ID card.

For more information on your plan, please refer to the final page of this document.

Member Cost Sharing	Participating Provider	Non-Participating Provider
Annual Deductible		
Individual	$2,000	$4,000
Family	$4,000	$8,000
Your plan has an aggregate Deductible, which means that for family coverage, any one or a combination of covered family members must meet the family Deductible before Covered Services are paid for any member on the plan. The individual Deductible does not apply if you are enrolled in family coverage.		
Deductible applies to all Covered Services you receive during the Benefit Period, unless the service is specifically excluded.		
Coinsurance		
	You pay 30% after Deductible	You pay 50% after Deductible
Copayments may apply to certain Participating Provider services.		
Any Covered Services for which cost-sharing is not specified in the "Covered Services" table below will pay subject to the applicable Deductible and Coinsurance identified above.		
Total Annual Out-of-Pocket Limit		
Individual	$5,000	$10,000
Family	$10,000	$20,000
Your plan has an embedded Out-of-Pocket Limit, which means the Out-of-Pocket Limit is satisfied in one of two ways-whichever comes first: *When an individual within a family reaches his or her individual Out-of-Pocket Limit. At this point, only that person will have Covered Services paid at 100% for the remainder of the Benefit Period; OR *When a combination of a family member's expenses reaches the family Out-of-Pocket Limit. At this point, all covered family members are considered to have met the Out-of-Pocket Limit and Covered Services will be paid at 100% for the remainder of the Benefit Period.		
Out-of-Pocket costs (Copayments, Coinsurance, and Deductibles) for Covered Services apply toward satisfaction of the Out-of-Pocket Limit specified in this Schedule of Benefits.
