

New pharmacy program may lower your out-of-pocket costs

UPMC Health Plan is excited to announce a new pharmacy savings program: Price Assure. You may be able to use this innovative offer to lower your out-of-pocket costs on nonspecialty medications.

How can the Price Assure program benefit you?

Cost Savings

You get access to the best price and potentially lower out-of-pocket costs when you fill your prescriptions at an in-network pharmacy.

Convenience

Price Assure automatically applies the savings at the point of sale. You don't have to use coupons or apps to get the lowest price.

Frequently asked questions

Q. What is the Price Assure program?

A. Price Assure gives UPMC Health Plan members with prescription coverage access to potentially lower out-of-pocket costs for nonspecialty medications when members fill their prescriptions at in-network retail pharmacies. UPMC Health Plan is offering this valuable feature through Express Scripts' partnership with GoodRx.

Q. What is GoodRx?

A. GoodRx is a third-party website and app that finds discount prices for medications, helps users compare costs, and identifies where users can get the lowest prices for their medications. **Please note:** You don't need to use the GoodRx app to access the Price Assure program.

Q. What is the benefit of Price Assure?

A. The Price Assure program can help you save on generic medications.

Q. Do I need to do anything to participate in the Price Assure program?

A. No. You can simply show your member ID card and fill your prescriptions as you normally would. If a lower price is available, Price Assure will automatically apply the savings at the point of sale. You do not have to use coupons or the GoodRx app to access this program.

Q. Will my information be shared with GoodRx?

A. Yes. In order to provide this benefit to you, certain information may be shared with GoodRx, including diagnosis, demographic, and prescription information. GoodRx may share your information with others, to the extent permitted by applicable law.

Q. Can I opt out of the Price Assure program?

A. Yes. If you do not want your information to be shared with GoodRx, you can opt out of the program by calling Member Services at the number on your member ID card. If you opt out then want to rejoin, you can do so by calling Member Services.

Q. If I opt out of the program, will my information be shared with GoodRx?

A. No. If you opt out of the Price Assure program, your information will not be shared with GoodRx.

Q. Can the Price Assure program be used with mail-order prescriptions?

A. No. The Price Assure program can be used only at retail pharmacies.

This health insurance benefit plan may not cover all of your health care expenses. You should read your contract or member handbook carefully to determine which health care services are covered. If you have any additional questions, please call Member Services at the number on your member ID card.
