Flexible Spending Accounts

UPMC Benefit Management Services (BMS)

www.upmchealthplan.com/members/learn/consumer-advantage/

A flexible spending account (FSA) program provides an opportunity to reduce your Federal and Social Security taxable income, and in some instances state taxes, by funding an account or accounts on a pretax basis. You may obtain reimbursement by submitting documentation of qualified out-of-pocket expenses relating to your account(s).

Flexible spending accounts are intended to be used for predictable expenses only. Please review the plan details of each flexible spending account prior to enrollment to determine if a flexible spending account is right for you.

Learn more about the flexible spending accounts, including eligible expenses, claim submission deadlines, and claim submission procedures, by using the phone number or website listed above.

Note: Individuals enrolled in Panther Basic that desire to make a pre-tax contribution for health-related expenses must elect to participate in the Health Savings Account (HSA) associated with the Panther Basic plan.

*There is a $5,000 maximum for non-taxable dependent care benefits. Money used towards Care.com Backup Care and/or your Dependent Care FSA aggregates toward the $1,000 cumulative total. Anything over this $5,000 maximum will be taxed accordingly upon filing.

Flexible spending account participants may enjoy the following benefits of the UPMC BMS Consumer Advantage flexible spending administration:

- The UPMC Consumer Advantage Visa card for health care, mass transportation, and parking FSA members provides the benefit of swiping your card to pay for expenses such as qualified medical, dental, vision, parking, and mass transportation expenses.
- Subscribers can submit claims for reimbursement to UPMC BMS in three ways. Subscribers have the option to complete a reimbursement request form and submit it to UPMC Benefit Management Services. Claims can be submitted online through the UPMC Consumer Advantage portal. To access the portal, visit https://my.pitt.edu/task/all/hr-myhealth-upmc and select the “Start” button on the right side, then log in via Pitt Passport. Claims can also be submitted by using the Consumer Advantage mobile app. Download the UPMC Consumer Advantage mobile app from the iTunes App Store or Google Play and follow the instructions to access your account.
- Participants can obtain their flexible spending accounts balance over the phone by calling 1-888-499-6885 and following the prompts, as well as through their MyHealth Online account.

Flexible Spending Accounts Offered

"Use it or Lose it" Rule for Plan Year
July 1, 2024 - June 30, 2025

The “Use it or Lose it” rule applies to dependent day care, parking, and mass transportation. Other than the exception listed below for dependent care, all claims must be incurred prior to July 1, 2025. Participants must submit those expenses for reimbursement by December 31, 2025. If your coverage ends prior to June 30, 2025 claims must be incurred prior to your last day of coverage. If your coverage ends prior to the end of the plan year, you have six months to submit expenses after the last day of coverage. Any remaining funds in your account at the end of the plan year will be forfeited and used to offset the general plan expenses.

Health Care Flexible Spending Account Rollover

The IRS allows a rollover of unused health care flexible spending account contributions up to $540. The rollover does not count against the $3,200 contribution maximum per year, and the rollover may be used to pay for expenses in the year in which it is carried over. Waiving the account during Open Enrollment for a July 1 effective date allows for the rollover into the next plan year's account for use during that plan year up to the annual rollover amount.

Purchasing OTC Products

Individuals can purchase over-the-counter (OTC) products with their health care flexible spending account. Participants must submit their purchase receipts for reimbursement as the UPMC Consumer Advantage Visa card cannot be used at this time to complete purchases.

Effective July 1, 2022, Health Incentive Reward Dollars can be used to purchase over-the-counter products and to pay for dental and vision expenses, just like one would use an FSA.

2 ½ Month Dependent Care Flexible Spending Account Extension

The U.S. Treasury Department granted a 2 ½-month extension for dependent care flexible spending accounts. Participants have until September 15 to incur an expense and use any contributions remaining in their dependent care flexible spending accounts. During this grace period, transactions will automatically pull from the previous plan year to exhaust funds before it pulls from the current plan year funds. Expenses incurred during this period must still be submitted to UPMC BMS, the University's flexible spending account administrator, for reimbursement no later than December 31, 2024.

Incomplete Participation in Plan Year

For the dependent care, parking, and mass transportation accounts:

Unused funds will be forfeited if not claimed within six months of the following status changes:

- End of the plan year
- Termination
- Change in status which makes you ineligible for the plan

For the health care account: Unused funds will be forfeited if not claimed within six months of terminations of University employment and other general ineligibility.

In case of termination of University employment or ineligibility during the plan year due to a change in benefit eligible positions, claims can be submitted for expenses incurred prior to the termination/ineligibility date. Expenses and services incurred after the termination/ineligibility date are not eligible for reimbursement.

Higher Maximums, Less Taxes

Annual Maximums have increased for Health Care, Parking, and Mass Transportation FSAs to help you spend less on taxes and more on you.

Life Insurance and AD&D

www.hr.pitt.edu/life

The Hartford
Customer Service: 1-855-396-7655
enroll.thehartfordatwork.com/upittbene

Life insurance and accidental death and dismemberment (AD&D) insurance help provide financial protection in the event of your death or that of a spouse/domestic partner or dependent child. To elect or change a beneficiary, contact The Hartford at enroll.thehartfordatwork.com/upittbene.

To report a death or to check on a claim, call 1-800-563-1124 and reference policy number 877187.

Basic Group Life and AD&D Coverage

The University provides group term life insurance coverage to faculty and staff in the amount of one times your annual salary, rounded up to the next thousand capped at $50,000. AD&D coverage is also provided in the amount of one times your annual salary, rounded up to the next thousand capped at $50,000. There is no cost to you.

Optional Coverage and Monthly Rates

Group Life

Optional group term coverage is available to you at your choice of one to six times your annual salary, rounded up to the next thousand capped at the plan maximum of $1,500,000. This is a fully employee-paid, after-tax benefit that does not reduce federal and state taxes. The monthly premium will be based on your age as of July 1 annually. New hires may elect the lesser of three times their annual salary or $500,000 in optional life insurance without Evidence of Insurability (EOI), if enrolled within 31 days from the date of hire. The cost is a calculation of the age-graded rate times each $1,000 of coverage.

To calculate your life insurance cost:

annual salary x additional coverage value (1-6) = total coverage

Employees age 42 with $45,000 annual salary electing to have coverage of three (3) times their salary will have a total coverage of $135,000.

Total coverage / 1,000 x age rate = cost per month

$135,000 / 1,000 x .067 = $9.05

Employee cost per month = $9.05

AD&D

Coverage is available at your choice of one to six times your annual salary, rounded up to the next thousand capped at the maximum of $1,500,000.

Cost is not age-graded and is a constant rate times each $1,000 of coverage ($0.15/$1,000).

Dependent Life

Optional dependent life insurance is available to the spouse/domestic partner and children (up to age 26) of faculty and staff members. Eight options are available to choose from for a spouse/domestic partner and three options are available for a dependent child or children. The faculty and staff member would be the automatic beneficiary of any elected benefit. Coverage is subject to Evidence of Insurability (EOI) for spouse/domestic partner and dependent child coverage. Cost is not age-graded and is constant regardless of the number of dependent children covered.

| Option 1 | $1.20 | $10,000 |
| Option 2 | $2.32 | $15,000 |
| Option 3 | $2.63 | $20,000 |
| Option 4 | $3.74 | $25,000 |
| Option 5 | $10.77 | $75,000 |
| Option 6 | $14.61 | $100,000 |
| Option 7 | $19.33 | $125,000 |
| Option 8 | $23.20 | $150,000 |

* Proof of good health, also called Evidence of Insurability (EOI), is required for some types of coverage. EOI is an application process in which you provide information on the condition of your health or your dependent's health in order to be approved for coverage. The Hartford provides 90 days to submit the EOI application for approval or denial of coverage.
Eligible faculty and staff are offered a Defined Contribution Plan. Details can be found online at www.hr.pitt.edu/retirement.

The plan operates on a calendar year basis and is not subject to an annual open enrollment. Elections or changes may be made online throughout the year. This can be done monthly and as often as you prefer. If you select the effective date to be the first available paycheck, please refer to the University payroll schedule for timing details by visiting hr.pitt.edu/defined-contribution and selecting the “Steps To Enroll or Make Changes” dropdown. If you select a future effective date, you are selecting a future date to make a salary deferral agreement and the payroll schedule still applies.

Instructions on how to enroll or make changes can be found at www.hr.pitt.edu/make-changes.

Note: Changes to your retirement contributions can only be made through TIAA; changes cannot be made in Pitt Worx.

One important term referred to frequently in the plan is vesting. Under the Defined Contribution Plan, once you have fulfilled the three-year vesting schedule, you have a non-forfeitable right to the University match when you retire or resign from the University. Under the Defined Contribution Plan, you always have the right to your contributions and earnings upon retirement or resignation.

Defined Contribution Plan

Within the Defined Contribution Plan, employees are permitted to contribute to a 403(b) plan. Contributions to this plan may be made on a pre-tax, Roth after-tax, or after-tax basis. Eligible employees contributing to the 403(b) plan will receive University matching funds into a 401(a) account. The University contributions will be made on a pre-tax basis. Eligible employees also have the opportunity to contribute to a 457(b) plan on a pre-tax or Roth after-tax basis. Contributions to the 457(b) plan are not considered for matching contributions.

Eligible faculty, staff, and research associates become vested in the 401(a) plan after having completed 1,000 hours of participation in the plan in three separate calendar years. Once vested, the participant has ownership of the contributions given by the University. You are always 100% vested in your contributions into the 403(b) and 457(b) plans.

Between the ages of 52 and 65, once vested, you have the option of joining the Accelerated Option. You must contribute 8% to participate in this option, and the University match is 14.5%. Participation lasts for up to 120 months or to age 65, whichever occurs first.

The University match ceases once participation in the Accelerated Option ends, however the participant can continue contributing to their retirement on an unmatched basis, but must re-enroll in the plan. As needed upon retirement, income streams may be established among the options available. For more information, please call TIAA at 1-800-682-9139, Monday–Friday, 8:00 a.m. – 10:00 p.m.

New hires are automatically enrolled at a 3% contribution rate in the 403(b) plan, but have 60 days to opt out of the plan.

Noncontributory Defined Benefit Plan

If you are in the Noncontributory Defined Benefit Plan, which has been phased out and no longer offered to new employees, and have never been enrolled in the Defined Contribution Plan, you may be eligible to take advantage of the Once in a Career Change option, which will allow you to change from the Noncontributory Defined Benefit to the Defined Contribution Plan. Contact the Benefits Department at hr.pitt.edu/contact-ohr for the Once in a Career Change form. You may enroll when the Benefits Department notifies you of your eligibility to participate.

Re-enrollment in the Noncontributory Defined Benefit Plan is not permitted. Additional information on the Noncontributory Defined Benefit Plan can be found at www.hr.pitt.edu/noncontributory.

Employee-Only Contributions

Eligible faculty, staff, and research associates may elect to make supplemental tax-deferred or pre- or post-Roth contributions without a University matching contribution, but within the limits permitted by tax regulations.

Universal Availability

All employees who are not eligible for the University matching contribution may make elective tax-deferred contributions within the limits permitted by tax regulations. Learn more about universal availability online at www.hr.pitt.edu/universal-availability.

Children’s Health Insurance Program

Reauthorization Act (CHIPRA)

CHIPRA requires employers offering group health plans to notify employees of their potential rights to receive premium assistance under a state’s Medicaid or CHIP program.

CHIPRA has two different rules that could benefit certain employees of the University. First, CHIPRA offers a premium assistance program for participants who are eligible for a Medicaid or a state CHIP program. If you are such an individual, and you are eligible for health coverage from the University but are unable to afford the premiums, the state CHIP program may help you pay for coverage under the University health plans. If you or your dependents are already enrolled in Medicaid or CHIP, you can contact your state Medicaid or CHIP office to find out if premium assistance is available. Second, CHIPRA includes two Qualified Status Change events. The Qualified Status Change events occur either when an eligible participant’s enrollment ends in Medicaid or a state’s CHIP program, or when an employee becomes eligible for the premium subsidy and can then enroll in the University’s coverage. If either of those two events occur, the employee must request coverage from the University within 60 days of the event.

Summaries of Benefits and Coverage

Summaries of Benefits and Coverage (SBC) provide applicants, enrollees, and policyholders with government mandated comparable information about health plan benefits and coverage options to help you evaluate choices when comparing the University of Pittsburgh’s plans to other plans. In addition to accessing/printing copies of the electronic SBCs or Certificates of Coverage (COCs), you also have the right to request and receive paper copies of these documents for free.

Prescription Drug Notice of Creditable Coverage (Medicare Part D Notice)

Group medical plans with prescription drug coverage sponsored by the University for active faculty and staff, pre-65 retirees, and post-65 retirees meet the standards for creditable coverage required by federal regulations and guidelines.

Benefits Appeals

Individuals who have a dispute or objection regarding a covered service, denial or provider; or the coverage, operations and management policies of a plan vendor should contact that vendor directly. Any individual dispute or objection related to coverage through a plan must be addressed between the employee and vendor.

For more information, please visit: www.hr.pitt.edu/current-employees/benefits/provisions/appeals.

Women’s Health and Cancer Rights Act

3. Prostheses
