Pre-Tax Selections

Medical, dental, and vision coverage, in addition to the Flexible Spending Accounts, will be deducted on a pretax basis. This reduces the employee's federal income and social security taxes. The Health Care Flexible Spending Account will also reduce state income taxes for employees who elect it.

Certification and Signature

I understand that:

- My benefit selections will remain in effect and may only be changed during the annual open enrollment period or due to a qualified status change permitted under the University of Pittsburgh Welfare Benefit Plan.
- If I check "Waive," I and/or eligible dependents will not be covered for any of the above benefit options.
- If I elect not to enroll in any University medical plans, I will not be eligible for a subsidy on the exchange and that I need to have proof of alternative medical coverage under another plan.
- If I withdraw from a plan during the open enrollment period or due to a qualified status change and request that my payroll deduction be cancelled accordingly, I relinquish my rights to coverage under the designated terms and conditions. If I desire to participate again, after withdrawal I may do so only at designated times.
- Individuals who do not elect medical coverage will receive a \$50 monthly benefit card. The monthly benefit credit for individuals enrolled in medical coverage is reflected in the employer contribution portion of the medical insurance premium. I authorize the University to adjust my pay accordingly through payroll deductions.
- If I have the right to recover expenses incurred for my own or my dependent's care from another person or organization that may have caused my own or my dependent's injury or illness, the University of Pittsburgh Welfare Benefit Plan has the right to recover the full amount it paid for my own or my dependent's care and that I have a legal obligation to help recover the amounts the Plan paid. The Plan reserves the right and is entitled to be repaid the entire amount of any amount awarded to me or my dependents, regardless of the amount of the award we actually receive.
- That the Plan may disclose my personal health information as described in the University of Pittsburgh's Notice of Privacy Practices.

I certify that all of the information provided above is true and correct and is being provided for the purpose of securing insurance benefits for me or other persons eligible under this insurance benefit program. I further acknowledge that it is unlawful for any person to make a false or inaccurate statement for the purpose of acquiring insurance benefits for themselves or any other person, and further acknowledge and agree that any false or misleading statement herein may affect eligibility for benefits and may result in discipline by the University of Pittsburgh (up to and including termination of employment) to the extent otherwise permitted by law.
