EDUCATION REIMAGINED

YMCA of GREATER PITTSBURGH

BEFORE AND AFTER SCHOOL

When you need convenient and affordable before and after-school care, this program is for you. As with all of our YMCA youth care and enrichment opportunities, this program is specifically designed to meet the developmental characteristics and needs of the youth we serve.

FULL DAY CARE

The YMCA of Greater Pittsburgh will provide your student with a safe place to participate in their virtual lessons. Groups of approximately 11 students will be assigned to one YMCA educator who will support their school learning while also providing additional activities for the day.

EARLY CHILDCARE

Our Childcare Development Centers at the Sampson Family YMCA, Strawberry Patch Early Childcare Center, and Duquesne University Childcare Center offers a safe, nurturing and fun environment for infants, preschoolers and kindergarteners to learn, play and grow.

A NEW WAY OF LEARNING

At the Y, we are working in partnership with local school systems to ensure that families will have flexible, affordable options for the time their children are out of school.

At the Y, we're already developing programs to support 2020-21 educational plans based on needs of our communities and school districts.

Here you will find a list of our Early Child Care Center and Community Learning Pod locations to help fulfill your childcare needs. For a stronger us.
