

Prescription Drug Schedule of Benefits

Rx Member Cost-Sharing: \$5/\$15/\$35/\$35

When you go to a pharmacy that participates in the UPMC Health Plan pharmacy network, you will be able to receive coverage for your prescription medications for the amounts outlined in your Prescription Drug Schedule of Benefits. The formulary is the list of drugs that are covered. The most commonly prescribed medications are listed in the Advantage Choice formulary booklet, which can be found on the website www.upmchealthplan.com/pharmacy.

The capitalized terms in this Prescription Drug Schedule of Benefits mean the same as they do in your Policy.

If there is a difference between the coverage outlined in this Prescription Drug Schedule of Benefits and the coverage outlined in your Policy, the terms in this Prescription Schedule of Benefits apply.

Read this chart to learn about your Copayments and other important information about benefit limits for your prescription drugs.

Dispensing Channel	Member Cost-Sharing	Day Supply Limits
University Pharmacy (90-day retail supply available for 3 copayments. Prescriptions for certain antibiotics, controlled substances (DEA Class II, III and IV), and specialty medications may be limited to a 30-day maximum supply.)		
Generic	You pay \$5 Copayment for generic drugs.	1-30
Preferred Brand	You pay \$15 Copayment for preferred brand drugs.	1-30
Non-Preferred Brand	You pay \$35 Copayment for non-preferred brand drugs.	1-30
Specialty Medications	You pay \$35 Copayment for specialty drugs.	1-30

Preventive	You pay \$0 Copayment for preventive tier drugs.	1-30
Retail Participating Pharmacy Mail-Order (Prescriptions for certain antibiotics, controlled substances (DEA Class II, III and IV), and specialty medications may be limited to a 30-day maximum supply.)		
Generic	You pay \$10 Copayment for generic drugs.	1-30
Generic	You pay \$10 Copayment for generic drugs.	31-90
Preferred Brand	You pay \$20 Copayment for preferred brand drugs.	1-30
Preferred Brand	You pay \$30 Copayment for preferred brand drugs.	31-90
Non-Preferred Brand	You pay \$40 Copayment for non-preferred brand drugs.	1-30
Non-Preferred Brand	You pay \$70 Copayment for non-preferred brand drugs.	31-90

Dispensing Channel	Member Cost-Sharing	Day Supply Limits
Retail Participating Pharmacy Specialty Medications (Not all specialty medications can be filled at a retail pharmacy; they may be restricted to a contracted specialty pharmacy. Certain oral cancer medications will be limited to a 15 day supply for up to the first one month of the prescription. When you receive a 15 day supply of an oral cancer medication, your copayment amount will be equally divided between each of the two prescriptions. Please refer to your formulary brochure or call UPMC Health Plan for additional details.)		
Brand or Generic	You pay \$40 Copayment for specialty drugs.	1-30
Oral chemotherapy	You pay \$0 Copayment for oral chemotherapy drugs.	1-30
Deductible		
Your plan has an embedded Deductible, which means the plan pays for Covered Services in these two scenarios — whichever comes first: *When an individual within a family reaches his or her individual Deductible. At this point, only that person is considered to have met the Deductible; OR *When a combination of family members’ expenses reaches the family Deductible. At this point, all covered family members are considered to have met the Deductible.		
Out-of-Pocket Limits		
Individual Coverage	Please refer to your medical Schedule of Benefits for details.	
Family Coverage	Please refer to your medical Schedule of Benefits for details.	
Your plan has an embedded Out-of-Pocket Limit, which means the Out-of-Pocket Limit is satisfied in one of two ways — whichever comes first: *When an individual within a family reaches his or her individual Out-of-Pocket Limit. At this point, only that person will have Covered Services paid at 100% for the remainder of the Benefit Period; OR *When a combination of family members’ expenses reaches the family Out-of-Pocket Limit. At this point, all covered family members are considered to have met the Out-of-Pocket Limit and Covered Services will be paid at 100% for the remainder of the Benefit Period.		
Pharmacy cost shares apply to your medical plan Out-of-Pocket Limit. Claims are covered at 100% for the remainder of the Benefit Period when the Out-of-Pocket Limit is satisfied.		
If the pharmacy charges less than the Copayment for the prescription, you will be charged the lesser amount.		
Refill limit: You must use 75% of your medication before you can obtain a refill.		

Retail Pharmacy Network

UPMC Health Plan provides a broad retail pharmacy network that includes:

- National chain pharmacies, including CVS, Giant Eagle, Kmart, Rite Aid, Sam's Club, Target, and Walmart.
- An extensive network of independent pharmacies and several regional chain pharmacies.

Generally, you can go to a retail pharmacy to get short-term medications, including medications for illnesses such as a cold, the flu, or strep throat. If you use a participating retail pharmacy, the pharmacy will bill UPMC Health Plan directly for your prescription and will ask you to pay any applicable Copayment, Deductible, or

Coinsurance. (Remember, UPMC Health Plan does not cover prescription drugs obtained from a Non-Participating Pharmacy.) To locate a Participating Pharmacy near you, contact the Member Services Department at the phone number on the back of your member ID card or visit www.upmchealthplan.com.

How to Use Participating Retail Pharmacies

- Take your prescription to a participating retail pharmacy or have your physician call in the prescription.
- Present your ID card at the pharmacy.
- Verify that your pharmacist has accurate information about you and your covered dependents (including your date of birth).

- Pay the required Copayment or other cost-sharing amount for your prescription.
- Sign for and receive your prescription.

Obtaining a Refill From a Retail Pharmacy

You may purchase up to a one-month supply of a prescription drug through a Participating Pharmacy for one Copayment, or a 90-day supply for three Copayments. If your physician authorizes a prescription refill, simply bring the prescription bottle or package to the pharmacy or call the pharmacy to obtain your refill.

Remember, UPMC Health Plan will not cover refills until you have used 75% of your medication. Please wait until that time to request a refill of your prescription drug. These refill guidelines also apply to refills for drugs that are lost, stolen, or destroyed. Replacements for lost, stolen, or destroyed prescriptions will not be covered unless and until you would have met the 75% usage requirement set forth above had the prescription not been lost, stolen, or destroyed.

Mail-Order Pharmacy Services

Maintenance Medications:

- Generally, you can get long-term maintenance medications through the Express Scripts mail-order pharmacy at 1-877-787-6279. Your prescription drug program allows you to receive 90-day supplies for most prescriptions from the Express Scripts mail-order pharmacy. Certain specialty medications may be limited to a one-month supply and will generally be dispensed from Accredo specialty pharmacy or Chartwell specialty pharmacy. (Some common injectable medications may be available at your local retail pharmacy; however, other specialty injectables are available only through Accredo or Chartwell and may be subject to a one-month supply dispensing limit.)

Specialty Medications:

- You and your doctor can continue to order new prescriptions or refills for specialty and injectable medications by contacting a specialty pharmacy. Accredo can be reached by calling 1-888-853 5525. Accredo is available Monday through Friday from 8 a.m. to 11 p.m. and Saturday from 8 a.m. to 5 p.m. TTY users should call 1-800-955-8770. Chartwell can be reached by calling 1-800-

366-6020. Chartwell is available Monday through Friday 8 a.m. to 5:30 p.m.

When using the mail-order or specialty pharmacy service, you must pay your Copayment or other cost-sharing amount before receiving your medicine through the mail. The Copayment applies to each original prescription or refill (name-brand or generic).

Certain oral cancer medication prescriptions are limited to a 15 day supply for the first one month of the prescription. The specialty pharmacy will work with you and your provider before processing each 15 day supply to verify that you are continuing with the treatment.

How to Use the Mail-Order Service

By Mail:

- Complete the instructions on the mail-order form. A return envelope is attached to the order form for your convenience.
- Mail the completed order form with your refill slip or new prescription and your payment (check, money order, or credit card information) to Express Scripts. All major credit cards and debit cards are accepted.

By Telephone:

- Contact mail-order customer service at 1-877-787-6279. The Express Scripts Inc., Customer Service Center is available 24 hours a day, seven days a week. TTY users should call 1-800-899-2114.

By Internet:

- You can access the Express Scripts website by logging in to UPMC Health Plan MyHealth OnLine at **www.upmchealthplan.com**. Select Login/Register and select "Member" from the drop-down menu. You may enter your user ID on the homepage in the Login/Register and select Login. If you have not accessed MyHealth OnLine before, sign up for a personal, secure user ID and password by selecting "Register" in the Login/Register box. Instructions for signing up and accessing MyHealth OnLine are available on this page.
- Once you have successfully signed in, under the Smart Healthcare section, select the

Prescriptions box. You can then scroll down to the Order mail delivery for prescriptions option, expand the menu, and choose the Learn how to set up a new mail-order prescription with Express Scripts or Refill an existing mail-order prescription. You will then be directed to the secure Express Scripts website; follow the instructions provided on their website to complete the process.

If you need your long-term medication refilled, you can order your refill by phone, mail, or the Internet as set forth in the following table. Be sure to order your refill two to three weeks before you finish your current prescription. If you have questions regarding the mail-order service, contact the Member Services Department at the phone number on the back of your member ID card or call Express Scripts at 1-877-787-6279. TTY users should call 1-800-899-2114.

Refills by Phone	Refills by Mail	Refills by Internet
• Use a touch-tone phone to order your prescription refill or inquire about the status of your order at 1-877-787-6279. • The automated phone service is available 24 hours per day. • When you call, provide the member identification code, birth date, prescription number, your credit card number (including expiration date), and your phone number.	• Attach the refill label (you receive this label with every order) to your mail-order form. • Pay your appropriate Copayment or other cost-sharing amount via check, money order, or credit card. • Mail the form and your payment in the pre-addressed envelope.	• Go to UPMC Health Plan MyHealth OnLine at www.upmchealthplan.com and see the instructions above, under "By Internet."

The Advantage Choice Formulary

The Advantage Choice formulary is a six-tier formulary consisting of a Generic tier, a Preferred brand tier, a Non-Preferred brand tier, a Specialty drug tier, a \$0 Select tier, and a \$0 Preventive tier. Brand drugs on the Preferred tier will be available to members at a lower cost share than non-preferred brands. Formulary high-cost medications such as biological and infusions are covered in the Specialty tier, which may have stricter days'-supply limitations than the other tiers. The \$0 Select tier includes select generic medications at no additional cost-share to you. The \$0 Preventive tier includes some preventive medications covered at no cost share when the member meets certain criteria in accordance with the Patient Protection and Affordable Care Act of 2010 (PPACA). Some medications may be subject to utilization management criteria, including but not limited to, prior authorization rules, quantity limits, or step therapy. Selected medications are not covered with this formulary.

Medications Requiring Prior Authorization

Some medications may require that your physician consult with UPMC Health Plan's Pharmacy Services

Department before he or she prescribes the medication for you. Pharmacy Services must authorize coverage of those medications before you fill the prescription at the pharmacy. Please see your pharmacy brochure for a listing of medications that require Prior Authorization.

Quantity Limits

UPMC Health Plan has established quantity limits on certain medications to comply with the guidelines established by the Food and Drug Administration (FDA) and to encourage appropriate prescribing and use of these medications. Also, the FDA has approved some medications to be taken once daily in a larger dose instead of several times a day in a smaller dose. For these medications, your benefit plan covers only the larger dose per day.

Additional Coverage Information

Your pharmacy benefit plan may cover additional medications and supplies and may exclude medications that are otherwise listed on your formulary. Your benefit plan may also include specific cost-sharing provisions for certain types of medications or may offer special

deductions in cost-sharing for participating in certain health management programs. Please read this section carefully to determine additional coverage information specific to your benefit plan.

- **Your pharmacy benefit plan includes coverage for oral contraceptives.**
- **Your pharmacy benefit plan does not include coverage to treat sexual dysfunction.**
- **Your pharmacy benefit plan includes coverage for some preventive medications at no cost share when you meet certain criteria in accordance with the Patient Protection and Affordable Care Act of 2010 (PPACA)**
- **Your pharmacy benefit plan includes special cost-sharing provisions for diabetic supplies:**
 - Each individual item in a group of diabetic supplies, including, but not limited to, insulin, injection aids, needles, and syringes, is subject to a separate Copayment.
- **Your pharmacy benefit plan includes coverage for special cost-sharing provisions for choosing brand-name over generic drugs:**
 - According to your formulary, generic drugs will be substituted for all brand-name drugs that have a generic version available.
 - If the brand-name drug is dispensed instead of the generic equivalent, you must pay the Copayment associated with the brand-name drug as well as the price difference between the brand-name drug and the generic drug.

UPMC Health Plan is the marketing name used to refer to the following companies, which are licensed to issue individual and group health insurance products: UPMC Health Network, Inc., UPMC Health Options, Inc., UPMC Health Coverage, Inc., and/or UPMC Health Plan, Inc.
