## You can convert your term life insurance.

When you terminate employment, retire or lose insurance eligibility due to a status change, you have the option to continue your current group term life insurance.

You have \_\_\_\_\_ days immediately following loss of your coverage to convert your current group term life insurance to guaranteed cost whole life insurance — a cash value policy.

This conversion feature can help meet your needs if you want a level premium policy that will build cash value. The individual policy face amount may not exceed the amount of group term life insurance for which you have lost eligibility. In addition, the converted policy is issued at our regular rate for that policy, and a medical examination is not required.

### Eligibility

To be eligible, you and your dependents must be covered under your employer's group term life insurance on the day before your coverage is lost. You must complete a separate application and submit premium payment for each dependent.

*Note: If you select this option, your premium rate will be different from the rate you paid for coverage as an active employee.*

*Any coverage amount approved for Portability (if Portability applies to your group term life insurance) cannot be converted.*

### Effective Date of Coverage

If your application(s) is approved and initial premium received, coverage will be effective on the 32<sup>nd</sup> day from the date coverage is lost. Initial premium must be paid in full from the effective date through the end of the current premium period for the premium mode elected.

### Everything you need is in this packet:

- Group Term Life Fact Sheet
- Conversion Application  
Have your **employer** complete the Notice of Eligibility Statement.
- Automatic Check Plan Return Form
- Aetna return envelope

**Remember:** We must receive your completed application(s) and first payment within \_\_\_\_\_ days of the date your coverage is lost.

Just fill in the enclosed application and return it to us in the envelope provided.

For more information, please contact 1-800-523-5065.
